# Agenda Item 4

## INTRODUCTION

1. This report deals with a requirement in the Localism Act 2011 (the Act) which became statute in November 2011. The Act introduced a requirement for Local Authorities to agree and publish an Annual Pay Policy Statement effective from December 2011.
2. In February 2012 the DCLG issued statutory guidance “Openness and Accountability in Local Pay: Guidance under Section 40 of the Localism Act 2011” and required Local Authorities in England to take account of the supplementary guidance when preparing their Pay Policy Statements.
3. To comply with this requirement the Council’s revised Pay Policy statement is attached. The Pay Policy has no substantive changes.
4. During the summer of 2016 the Government announced a proposal for a Regulation entitled “The Repayment of Public Sector Exit Payments Regulations”. The Government has power to do this under the Small Business, Enterprise and Employment Act 2016. The proposal concerned a situation where an employee within the public sector earning £80,000 or more receives an exit payment (such as redundancy and assisted payouts) and then returns to any part of the public sector within 12 months of leaving. The legislation will state that on returning to the public sector, the employee must repay some or all of the exit payment received, even if they return to a much lower salary role or to a different part of the public sector. Draft regulations are expected to be finalised shortly and it is anticipated that some anomalies within the proposals will become clearer at that point.
5. In addition the Government has said it is to introduce The Public Sector Exit Payment Regulations 2016 which imposes a cap of £95,000 on exit payments made by public bodies. Payments to employees cannot exceed this amount. The proposals are not yet law and final regulations are awaited. Legal advice is that the draft regulations still have anomalies which may be resolved when the final regulations are published.
6. Therefore, at the time of writing the legislation position is uncertain. When the final legislation is known, the attached Pay Policy will be updated accordingly and it is recommended that the Pay and Grading Committee be delegated from Council to deal with any necessary amendment to bring the Authority into compliance with any statutory measure if such statutory review comes into place before Council has an opportunity to consider next year’s Pay Policy.

## **SEFTON COUNCIL PAY POLICY**

### **A. OPENING STATEMENT**

1. The aim of this policy is to help maintain and improve the quality of service provision by ensuring that all employees are valued and receive proper reward for their work and contribution. It also serves to satisfy the requirements of the Localism Act 2011 relative to pay accountability.
2. It is recognised that both financial and non-financial rewards are necessary to attract, retain and motivate employees. As such there needs to be a close link between reward and the overall approach to people management, including workforce planning and development strategies. There needs to be a fair balance between changing organisational needs and the aspirations of individuals. Equally there needs to be recognition of the financial constraints of the current economic climate and the imperative to manage public monies responsibly.
3. This policy will assist in managing pay and other rewards in a fair, equitable, responsible and transparent manner. The Council supports the principle of equality of opportunity in employment. In this regard every endeavour will be made to ensure that employees receive equal treatment, irrespective of their age, gender, race, colour ethnic origin, family commitments, marital status, sexual orientation, disability or religious beliefs.
4. All pay related decisions will be taken in compliance with the provisions of The Equality Act 2010, The Employment Rights Act 1996, The Employment Relations Act 1999, the Employment Act 2002, The Employment Act 2008, The Part-Time Workers (Prevention of Less Favourable Treatment) Regulations 2000, The Fixed Term Employees' (Prevention of Less Favourable Treatment) Regulations 2002, all as amended.

### **B. SCOPE OF POLICY**

5. This policy covers all employees other than those in schools.

### **C. AVAILABILITY OF POLICY**

6. This policy is available on the Sefton's Council website under [Pay Policy](#)

# Agenda Item 4

## **D. DECISION MAKING**

7. The pay policy is the responsibility of the Pay & Grading Committee with any recommendations for change being subject to the approval of the Council.
8. The policy will be reviewed by the Committee at least once every municipal year and referred to the Council for consideration prior to the beginning of the subsequent municipal year on 1<sup>st</sup> April.
9. The authority to make decisions in accordance with the policy (i.e. its application) is in accordance with the delegations described in the Council's constitution, which can be found in the documents library on Sefton's website.
10. In January 2013 Council agreed a mechanism specifically for;
  - The consideration of severance packages which amount to £100,000 or above, and
  - The consideration of new appointments which have a remuneration package of £100,000 or above.

It was agreed that:

- In relation to any severance packages in respect of the Chief Executive, Executive Directors and Heads of Service which amount to £100,000 or above, that Full Council are given an opportunity to vote to determine agreement, following a recommendation from the Pay and Grading Committee.
- All other employees' severance packages of £100,000 or above are to be determined by the Pay and Grading Committee and may come before Full Council as part of the Budget process. The reason for utilising the Pay and Grading Committee is to allow operational effectiveness in seeking the approval of such payments, leaving Full Council to deal with severance packages for the Senior Officer positions detailed above.
- In respect of the definition of a severance payment this is defined as:
  - (a) A redundancy payment
  - (b) Any capital cost to the pension fund
  - (c) Any other contractual payments which are due to the employee
  - (d) Any other payments which the Local Authority may seek to make

- The Employment Procedure Committee will decide on the remuneration packages for Senior Officer in cases where the proposed remuneration is over £100,000. This will be debated at the point when the decision to fill the post is made. A recommendation will then be made to the Full Council who will have the opportunity to vote on the remuneration proposed. The remuneration must be agreed prior to an appointment offer being made.

11. It is proposed that the decision making processes for severance and remuneration detailed in paragraph ten above remain in force.

## **E. SENIOR OFFICERS PAY**

12. Senior officers are defined as those currently earning £50,000 and above. The £50,000 threshold is applied as per the Local Government transparency code issued by the Department for Communities and Local Government [CLG].
13. Individual Senior Management pay is set out in data published on the Council's website in accordance with the Local Government transparency code. It provides details of;
- the number of employees whose remuneration in that year was at least £50,000 - in brackets of £5,000
  - details of the job title of senior employees whose salary is at least £50,000, and
  - identification by name of any employees whose salaries are £150,000 or more.
  - the information is not solely based on salary but will include all remuneration i.e. overtime pay
14. In addition, local authorities must provide a list of responsibilities (for example, the services and functions the postholder is responsible for and details of bonuses and 'benefits-in-kind', for all employees whose salary exceeds £50,000.
15. Senior officers (other than those paid under the Soulbury agreement) are paid in accordance with the HAY job evaluation method.
16. Chief Executive Salary – this comprises of 5 incremental points within a salary band ranging from £139,928 rising to £153,927.

*NOTE: The current Chief Executive is on the maximum of the grade but since February 2011 has volunteered a 10% reduction in salary. The actual salary payable as at 1.4.2016 is £138,534 p.a.*

# Agenda Item 4

17. Executive Directors and the Director of Social Care and Health are paid at HAY 1 plus a Market Supplement as appropriate. Heads of Service are paid at either HAY 2, 3 or 4 as spot grades, plus a Market Supplement if appropriate. Senior Management are paid relative to Hay grades 5 & 6. 18. The terms and conditions for the post of Chief Executive are in accordance with the Joint National Council (JNC) Scheme for Chief Executives. In the case of HAY Grades 1 - 5 the terms and conditions are as per the JNC Scheme for Chief Officers. In the case of HAY Grade 6 the terms and conditions are in accordance with the National Joint Council (NJC) Scheme for Local Government services employees (known as the "Green Book").
19. HAY grades are allocated to posts using the HAY job evaluation system. This system enables the factors of a job to be analysed and translated into a points score which, in turn, is related to the appropriate grade associated with the score.
20. Each year the HAY group are consulted as to what is an appropriate pay rise. The HAY Group advise based on predicted awards in the general market (Public and Private Sector), the amount of inflation, and the Retail Prices Index. This is also balanced against the National Joint Council Pay award and the ability of the Council to meet the pay bill.

**J. AD HOC PAY ARRANGEMENTS for Craft Employees**

33. A very limited number of employees are still employed on the former Craft Workers scheme known as “Red Book” conditions. These terms and conditions will be reviewed overtime as appropriate with a view to applying the grading scheme and locally agreed terms and conditions as per NJC employees.

**K. MARKET SUPPLEMENTS POLICY**

34. The Council aims to recruit and retain the best possible employees with the skills, knowledge and experience needed to deliver excellent services and to meet its corporate objectives. There may be times when the grading of a post results in an inability to successfully recruit or retain to particular posts. In such cases it may be appropriate to pay a market supplement in addition to the salary to ensure that appointments can be secured. In these circumstances, the potential for the application of a Market Supplement Rate

# Agenda Item 4

will need to be objectively justified. Such payments are lawful under the Equality Act 2010 where there is evidence to justify that market factors are the “material factor” for the post attracting a higher rate of pay than other posts with the same score. In order to establish equality of pay the Council needs factual evidence to prove that paying any Market Supplement Rate is “a proportionate means of achieving a legitimate aim”.

35. Any business cases made for Market Supplement payments will be subject to in-depth investigation and scrutiny by the Pay and Grading team followed by formal approval. Thereafter, the payment will be subject to annual review, and supplementary reviews following any pay award agreements or incremental advancement. In addition, the Joint Trade Union forum will be provided with details of any positions which have been approved for the Market Supplement Payments.

## L. OTHER PAY

36. **Returning officer** The Council has to appoint a Returning Officer for elections. This is usually a senior officer of the Council who performs the role in addition to his/her normal duties. Appointment as a Returning Officer is deemed to be separate remunerable employment.
37. **Acting up payments** Employees are not eligible for honoraria payments under current Council policy. However, an employee who, following a fair selection arrangement, performs the full duties and responsibilities of a higher graded post on a temporary basis, will be paid in accordance with the higher graded post for the specified period and without any commitment to permanency in that post. This is known as “Acting Up”. It is an operationally practical arrangement applied throughout the workforce. It is an expedient measure that should maintain for as short a period as possible – normally less than 12 months.
38. **Advisory Staff in Local Authorities – [Soulbury Agreement]** In each of the separate Soulbury pay spines there is provision for employees to receive up to three further spine points under the Structure Professional Assessment (SPA) system. This element of the pay structure is based on performance assessment and forms part of the overall pay structure. Progression under the SPA system is subject to local assessment against nationally prescribed criteria.
39. **NJC Employees- Non-Standard Working Arrangements and Associated Payments**  
In accordance with the NJC provisions the Council pays allowances in respect of employees who are required to work outside “normal” working hours.
40. In February 2011 Cabinet approved a package of terms and conditions changes following consultation with the trade unions. The changes were implemented with effect from 1<sup>st</sup> April 2011, initially for two years, and have since been adopted as an ongoing contractual arrangement to assist with the budget savings.

## **M. PAY PROTECTION**

41. In certain circumstances where employees suffer a loss in basic pay as a result of the actions of the employer, 12 months' pay protection is available.

## **N. PAY RELATIONSHIPS**

42. The Local Government Transparency Code 2014 Part 2.2 para 41 and Section 38 of the Localism Act 2011 requires local authorities to produce information relative to pay dispersion i.e. the relationship between remuneration of Senior Officers and the remuneration of other staff. The information in this section illustrates the Councils pay dispersion.
43. The highest level of (*full time equivalent – FTE*) employee remuneration in the Council is associated with the post of Chief Executive which is £138,534.
44. The lowest level of (FTE) employee remuneration is £14,514 p.a (NJC Spinal Column Point 6).
45. The median level of actual basic pay for central staff is £17,282.50 p.a. The median level of actual pay including contractual allowances (e.g. overtime, shift pay etc ) is £19,493.92 p.a.

The ratio listed compares favourably with the Upper 20:1 ratio as detailed in the Hutton Fair Pay Review Report. As at November 2016 the (FTE) actual pay relationships are:

- Highest pay is 9.54 times greater than lowest pay.
  - Median basic pay is 1.19 times greater than lowest pay.
  - Median pay including contractual allowances is 1.34 times greater than lowest pay.
  - Highest pay is 8.01 times greater than median basic pay and 7.10 times greater than median pay including contractual allowances.
46. In order to achieve this calculation the pay relationships have been based on the lowest level of employee remuneration (using actual pay figures of centrally employed staff payable as at November 2016 and the highest level JNC pay applicable as at November 2016).
47. In order to achieve this calculation the pay relationships have been based on the lowest level of employee remuneration (using actual pay figures of centrally employed staff payable as at November 2016 and the highest level JNC pay applicable as at November 2016).

## **O. OTHER TERMS AND CONDITIONS**

# Agenda Item 4

48. The normal working week is 36 hours (FTE). This is on the understanding that for those staff defined as senior officers, additional hours will be worked, as necessary, without financial or time off recompense.
49. The Council recognises the importance of the need to balance personal and working demands. Employees are required to be receptive to such needs both in their own case and relative to those for whom they may be responsible. It is considered that an empathetic management approach to controlled attendance will contribute to high performance and outcomes.
50. The Council's terms and conditions of employment generally provide for 27 days leave for employees with less than 5 years' service and 32 days after 5 years have been completed (35 days for HAY 5 and above). The Council also recognises long service by granting an additional 5 days leave (as a one off award) after 25 years' service has been completed and celebrates longer periods of service.
51. The Council also supports officers in the discharge of their duties by reimbursing expenditure, paying subsistence allowances, and operating a Corporate travel scheme for eligible employees offering reduced cost rail travel with deductions being made direct from payroll.

## **P. PUBLIC HEALTH STAFF**

52. The transfer of the Public Health function and its associated employees in 2013 was on a statutory basis as per the Health and Social Care Act 2012. The pay scales applicable at the point of transfer were as per Public Health NHS pay scales and will remain static until such time as the positions become vacant. New appointments to posts within the Public Health function will be made on either NJC or JNC HAY grades as appropriate to the role. As at November 2016 only two Senior Officers (Public Health Consultants) remain on NHS gradings.

## **Q. NATIONAL MINIMUM WAGE / NATIONAL LIVING WAGE/ LIVING WAGE**

53. The current National Minimum Wage (NMW) rate as at November 2016 is £6.95.
54. From April 2016, the government will introduce a new mandatory *National Living Wage* (NLW) for workers aged 25 and above, at a rate of £7.20 per hour.
55. The NMW will continue to apply for those aged 21 to 24, with the premium added on top for those aged 25 and over, taking the total hourly rate to the National Living Wage.
56. In addition to the above there is a *living wage* determined by the Living Wage Foundation. The rate is £8.25 per hour as at November 2016. This Living wage rate is based on the concept that a certain amount of money is needed to ensure that people are able to have a decent standard of living. The living

wage is different from the National Minimum wage and the Governments National Living Wage. Adoption of the minimum wage is a legal requirement however the adoption of the Living Wage is optional. Some Authorities have implemented the living wage but only where this has had very minimal impact of the budget due to the makeup of the individual Authority. To become a true Living Wage employer the rate would need to be applied not only to employees but also be extended to employer procurement supply chains.

57. If the Living wage were introduced within Sefton, Terms and Conditions would need to be reviewed. The Cabinet member has been provided with information relative to the implementation of the Living wage for both schools and the Council. No determination has yet been made in terms of whether Sefton Council would wish to be a Living Wage employer.

**R. RE-EMPLOYMENT OF STAFF WHO HAVE BEEN IN RECEIPT OF REDUNDANCY PAY AND/OR PENSION.**

58. Subject to compliance with legislative/regulatory requirements:

- An individual may be in receipt of a pension (LGPS or otherwise) in addition to remuneration from their employment with the Council.
- An individual who has left the Council and been in receipt of a severance or redundancy payment and/or pension (LGPS or otherwise) may subsequently be re-employed or engaged under a contract for services.

59. In line with this, staff who have been in receipt of redundancy pay and or pension benefits can subsequently be re-employed or engaged under a contract with Sefton. However, given the budgetary pressures currently facing the Council such cases must satisfy robust justification.

60. All LGPS Administrating Funds have the discretion to abate pension upon re-employment to local government. MPF discretion stipulates that anyone in receipt of a pension from the LGPS, re-employed after 25 September 2006, **will not** have their pension adjusted if they return to local government employment, **unless** they were granted Compensatory Added Years when they retired due to redundancy/ interest of efficiency.

61. Pensioners re-employed before 25 September 2006 or those who received Compensatory Added Years of membership may have adjustments applied to their pension by the Administrating Fund. Further details can be obtained relative to the LGPS via the Policy Discretions Statement on the intranet.
