

SEFTON METROPOLITAN BOROUGH COUNCIL FORWARD PLAN

FOR THE FOUR MONTH PERIOD 1 JUNE 2012 - 30 SEPTEMBER 2012

This Forward Plan sets out the details of the key decisions which the Cabinet, individual Cabinet Members or Officers expect to take during the next four month period. The Plan is rolled forward every month and is available to the public 14 days before the beginning of each month.

A Key Decision is defined in the Council's Constitution as:

1. any Executive decision that is not in the Annual Revenue Budget and Capital Programme approved by the Council and which requires a gross budget expenditure, saving or virement of more than £100,000 or more than 2% of a Departmental budget, whichever is the greater;
2. any Executive decision where the outcome will have a significant impact on a significant number of people living or working in two or more Wards

As a matter of local choice, the Forward Plan also includes the details of any significant issues to be initially considered by the Executive Cabinet and submitted to the Full Council for approval.

Anyone wishing to make representations about any of the matters listed below may do so by contacting the relevant officer listed against each Key Decision, within the time period indicated.

Under the Access to Information Procedure Rules set out in the Council's Constitution, a Key Decision may not be taken, unless:

- it is published in the Forward Plan;
- 5 clear days have lapsed since the publication of the Forward Plan; and
- if the decision is to be taken at a meeting of the Cabinet, 5 clear days notice of the meeting has been given.

The law and the Council's Constitution provide for urgent key decisions to be made, even though they have not been included in the Forward Plan in accordance with Rule 15 (General Exception) and Rule 16 (Special Urgency) of the Access to Information Procedure Rules.
