

# SEFTON METROPOLITAN BOROUGH COUNCIL FORWARD PLAN

**FOR THE FOUR MONTH PERIOD 1 JUNE 2014 - 30 SEPTEMBER 2014**

This Forward Plan sets out the details of the key decisions which the Cabinet, individual Cabinet Members or Officers expect to take during the next four month period. The Plan is rolled forward every month and is available to the public at least 28 days before the beginning of each month.

A Key Decision is defined in the Council's Constitution as:

1. any Executive decision that is not in the Annual Revenue Budget and Capital Programme approved by the Council and which requires a gross budget expenditure, saving or virement of more than £100,000 or more than 2% of a Departmental budget, whichever is the greater;
2. any Executive decision where the outcome will have a significant impact on a significant number of people living or working in two or more Wards

As a matter of local choice, the Forward Plan also includes the details of any significant issues to be initially considered by the Executive Cabinet and submitted to the Full Council for approval.

Anyone wishing to make representations about any of the matters listed below may do so by contacting the relevant officer listed against each Key Decision, within the time period indicated.

Under the Access to Information Procedure Rules set out in the Council's Constitution, a Key Decision may not be taken, unless:

- it is published in the Forward Plan;
- 5 clear days have lapsed since the publication of the Forward Plan; and
- if the decision is to be taken at a meeting of the Cabinet, 5 clear days notice of the meeting has been given.

The law and the Council's Constitution provide for urgent key decisions to be made, even though they have not been included in the Forward Plan in accordance with Rule 26 (General Exception) and Rule 28 (Special Urgency) of the Access to Information Procedure Rules.

Copies of the following documents may be inspected at the Town Hall, Oriel Road, Bootle L20 7AE or accessed from the Council's website: [www.sefton.gov.uk](http://www.sefton.gov.uk)

## SEFTON METROPOLITAN BOROUGH COUNCIL FORWARD PLAN

Details of Decision to be taken	<p><b>The Sefton Council Permit Scheme</b></p> <p>To seek approval to apply to the Secretary of State for Transport to become a Permit Authority.</p> <p>Currently, when a utility (or other works promoter) wants to work in the street, they have to serve a notice on the highway authority (Sefton) before they start, (unless there is an emergency). Generally, if they meet the requirements of the notice system, they have the powers to get on with the work and it's difficult for the highway authority to stop them. Under the Traffic Management Act 2004, the Government has introduced additional powers for highway authorities to operate a permit scheme to replace the noticing regime. The scheme means that a utility (or other works promoter) will have to apply for a permit to work on the street and it is illegal for them to do so until Sefton has issued the permit to them. As a Council we can also apply certain conditions to permits when appropriate. This gives the Council much greater control on works on the highway which will lead to less disruption; and annual reports will be produced to demonstrate the benefits. The checks officers need to undertake before issuing the permits are quite involved and clearly will take more officer time. The permit scheme allows the highway authority to charge for these extra costs. So currently the Council can't charge for a notice but we will be able to charge for a permit. The scheme has now been written, a cost benefit analysis (CBA) undertaken and draft fees produced. The scheme, CBA and fees will have to be approved by the Department for Transport and the point of the report to Cabinet is to ask permission to formally request the Secretary of State (SoS) to approve and allow the Council to operate the Sefton permit Scheme. A formal application has to be made to SoS before 1st August 2014 so permission needs to be granted in good time.</p>
