**SUBJECT:** Funding Opportunities – Progress Report 4

**WARDS AFFECTED:** All

**REPORT OF:** Alan Moore, Strategic Director Communities

**CONTACT OFFICER:** Mo Kundi 3447  
Stuart Waldron 4006

**EXEMPT/  
CONFIDENTIAL:** No

**PURPOSE/SUMMARY:**

To inform Members of the progress made with regard to Expressions of Interest submitted for funding, and provide an update of further external funding opportunities.

**REASON WHY DECISION REQUIRED:**

To comply with standard portfolio reporting procedures and to seek endorsement of the Expressions of Interest submitted to date.

**RECOMMENDATION(S):**

It is recommended that:-

Cabinet Member for Regeneration:-

- Endorse the submission of Expressions of Interest as shown in Annex A and B of this report,
- Note the current Funding Opportunities available as shown in Annex C of this report

Cabinet Member for Technical Services, and Cabinet :-

- Note the report

**KEY DECISION:** No

**FORWARD PLAN:** No

**IMPLEMENTATION DATE:** Immediately after the call in period

**ALTERNATIVE OPTIONS:**

There are only limited opportunities to secure external funding to deliver Sefton Council projects, particularly under the current European funded North West Operational Plan. Failure to respond to bidding opportunities would either prolong the time taken to deliver these projects, and or in the worse case scenario may not happen at all.

**IMPLICATIONS:****Budget/Policy Framework:**

**Financial:** There are no financial implications as a result of this report.

**LIST OF BACKGROUND PAPERS RELIED UPON IN THE PREPARATION OF THIS REPORT**

Cabinet Report entitle 'Funding Opportunities Progress Report 3' dated 4<sup>th</sup> February 2010

## 1.0 Background

- 1.1 The Cabinet Member (Technical Service), the Cabinet Member (Regeneration) and the Cabinet, at their meetings on 20<sup>th</sup> January 2010, 27<sup>th</sup> January 2010, and 4<sup>th</sup> February 2010 respectively considered a report entitled 'Funding Opportunities – Progress Report 3'. The report provided information on current funding opportunities, and sought Members endorsement on those Expressions of Interest submitted.
- 1.2 This report provides an update on previously submitted Expressions of Interest, seeks endorsement of Expressions of Interest/Concept Forms submitted since then (please see Annex A and B), and provides information on funding opportunities that have arisen since the previous report, (please see Annex C).

## 2.0 RDA/ERDF Public Realm Projects

- 2.1 Members may recall that Dunningbridge Road Corridor scheme was approved for more detailed design and costing by the RDA. The original cost of the scheme was £1.2 million, of which RDA was going to fund £600,000 from ERDF and £200,000 from its Single Programme budget. The balance of the money coming from Sefton's LTP (£100,000) and Section 106 money (£300,000). However the RDA has now indicated that it will not be prepared to contribute £200,000 from its Single Programme. Unless alternative sources of funds can be secured the scheme may either have to be down sized or abandoned completely. Further discussions are currently taking place, and a separate report on this project will be presented to Members.

## 3.0 Action Area 4.3 – Development of Sites

- 3.1 Of the three schemes submitted under this Action Area, only SAFE Production is still 'live'. However the success of this project is reliant on the applicant securing a site for its development, which to date has not been possible. It must be recognised that due to time constraints it is unlikely that this project would be implemented.

Applicant	Scheme	Total Cost	Contributions From:-		Current Status
			ERDF	Applicant's Own	
South Sefton Development Trust	To fit out workspace for social enterprise	£100,000	£45,000	£55,000	Unsuccessful
TREND	Start-up workshops	£200,000	£90,000	£110,000	Unsuccessful at concept stage
SAFE Productions Ltd	26 new Start-up Units	£1,000,000	£450,000	£550,000	Unable secure a site

- 3.2 Members may be aware that TREND has gone into receivership and officers are currently examining any financial or legal implications, particularly as the project was funded via Sefton Council with external funding, and there are normally conditions attached to disposal of any assets. A separate report on this matter will be presented to Members.

#### 4.0 Action Areas 3.2 & 4.3 – Land Remediation and Site Servicing

4.1 Members may recall that three Expressions of Interests for Peerles Site, Demolition of Balliol House, and Southport Commerce Park projects was submitted to the RDA. Of the three Expressions of Interests submitted under these action areas, the RDA was only supporting the Demolition of Balliol House scheme. The RDA has recently sent a letter indicating all schemes currently requiring ERDF support have been suspended until such time as the RDA had the opportunity to undertake a full review of the North West Operational Programme.

4.2 Based on informal discussions with RDA officers, it is unlikely that the Demolition of Balliol House project will be successful in attracting any ERDF grant.

Applicant	Scheme	Total Cost	Contributions From:-			Current Status
			RDA/ERDF	Sefton	Others	
Sefton Council	Peerless Site, Bootle	£12,500,000	£12,500,000	-	-	Not supported
Sefton Council	Demolition of Balliol House	£1,415,000	£707,500	£707,500	-	Suspended
Sefton Council	Southport Commerce Park	£2,375,858	£1,101,858	£1,074,000	£200,000	Not supported

#### 5.0 Action Area 1.2

5.1 A very speculative Expression of Interest was submitted on 10<sup>th</sup> August 2009 as per the RDA's deadline for this Action Area. The aim of this project was to deliver targeted specialist support to rural food producing businesses and supply chains, to service the hospitality sector in Southport. Whilst the RDA liked the bid unfortunately it was not approved as the activities contained in the proposal were only targeted at Sefton, and not sub-regionally. However discussions are taking place with Food NW, whose bid was approved, and they would like to explore the opportunity of including Sefton's proposals in their delivery plan.

#### 6.0 Action Area 1.3

6.1 The Cabinet at its meeting on 17<sup>th</sup> December 2009 agreed to the submission of a sub-regional project under this action area, for which Sefton Council will be the accountable body, subject to there being no additional financial implications imposed upon the Council especially with regard to management costs. The aim of this 'REECH' project is to directly stimulate the market for low carbon and environmental technologies and renewable energies via their application within existing social and low income housing. The project has now progressed to the Development and Appraisal stage. The deadline for the submission of detailed information is 21<sup>st</sup> May 2010. A more detailed report will be presented to Members on this project.

#### 7.0 Low Carbon Communities Challenge 2010-2012

7.1 The Cabinet at the same meeting on 17<sup>th</sup> December 2009 also agreed to Sefton Council supporting Formby Parish Council in the development, and submission of

a £500,000 bid under the Low Carbon Communities Challenge 2010-2012 Programme. I regret to report that the bid was not successful.

## **8.0 The Big Lottery**

8.1 The Frank Hornby Trust had engaged consultants to develop a Stage 1 bid for Heritage Lottery Grant. The Trust is seeking some £200,000 for fit out costs for the Frank Hornby Centre at Maghull Leisure Centre, and the Stage 1 bid was submitted at the end of February 2010.

## **9.0 Rural Development Programme for England (RDPE)**

9.1 Through the work being carried out by the Altside Business Village Partnership, a developer has submitted a Planning application for the development of a Marina in Lydiate. In addition the developer has also submitted an application for funding support to the RDPE/Mersey Leader Programme.

## **10.0 Rural Strategy and an Action Plan for Merseyside**

10.1 External Consultants engaged by the sub-regional partners have now completed the development of the Rural Strategy and are in the process of developing individual Action Plans for each of the local authority. Annex B attached shows all the Expressions of Interests submitted under this programme.

## **11.0 Low Carbon Rural Challenge Fund**

11.1 The Regional Development Agency has recently requested Expression of Interest for projects that would support the delivery of renewable energy projects in rural areas across the North West of England. The bidding round is only open to Social Enterprises, Charities, groups of businesses and micro enterprises. It is likely that there will only be one bid from the Merseyside region, and officers are currently in discussions with Mersey Forest, who would be eligible to apply, to consider a project based in Melling.

## Expressions of Interests Submitted Under the Merseyside Rural Economy and Action Plan

Name of Project	Summary	Contact	What is the Funding for?	Total Cost
<b>Another Place, Sefton Coast</b>	A project to provide activities, information and interpretation for the Another Place Artwork on Crosby Beach. This will help to contribute to the Local Economy and enhance the visitor experience.	Will Moody, Planning 0151 934 3608	The funding will be for a website, interpretation board, activities, an annual event, and a booklet/leaflet for all of the above.	<b>£50k</b>
<b>Ainsdale on Sea Heritage Centre</b>	This visitor centre for the Sefton Coast would provide information and interpretation including the history of the coast, landscape, aviation, shipwrecks, Lifeboats etc. There will also be a café and a 'coastal museum'.	Dave McAleavy, Coast and Countryside 0151 934 2961	The Funding will be to implement an interpretation plan for the Heritage Centre and to help to develop and install technology.	<b>£470k</b>
<b>Sefton Coast Partnership Officer and support</b>	There is currently no dedicated officer working for the Sefton Coast Partnership. This funding would be for an Officer post, along with admin support. The role of this post would be to identify and deliver projects, facilitate networking, represent and publicise the partnership, seek funding opportunities, and service the Partnership Board and Sub-Groups.	Will Moody, Planning 0151 934 3608	Annual salary plus admin support.	<b>£40k (per annum)</b>

<p><b>Brown Hare Project (Habitat Management)</b></p>	<p>A project to improve our understanding of brown hare populations within Greater Manchester, North Merseyside and South Lancashire. It will also help to inform Local Biodiversity Action Plans by providing baseline data for which to set targets. The project will also help to give advice and best practice to farmers.</p>	<p>Paul Corner, MEAS, 0151 934 2809</p>	<p>The project could either be a stand alone project, or as part of the larger Brown Hare Project. It will help to create demonstration projects for Habitat Management best practice to feed into Local and Regional BAP targets and Agri-environmental schemes.</p>	<p><b>£8k</b></p>
<p><b>Sefton Coast Access Improvements</b></p>	<p>Access improvements to the paths and Birdleways along the Sefton Coast</p>	<p>Will Moody, Planning 0151 934 3608</p>	<p>Upgrade 4km of the Sefton Coast Path, create 2km of new footway/bridle way, upgrade the cycle link between Hightown and Formby, and improve linkages between Marshside and the RSPB centre for walking and cycling.</p>	<p><b>£500k</b></p>
<p><b>Seftons Rural Heritage</b></p>	<p>A project to repair, reinstate and consolidate Seftons historic structures including stocks, crosses, St Helens Well, St Catherine's Chapel and Lydiate Hall. This could then form an interpretation/heritage trail for Sefton, which could improve Tourism for Sefton. Web based technology could also be used, and schools could be involved with the work.</p>	<p>Daniel Byron Planning 0151 934 3584</p>	<p>Firstly repair work, then working on the interpretation.</p>	<p><b>£300k</b></p>

<b>Melling House/Barns and Outbuildings, Melling</b>	A project to repair the Listed Buildings in Melling to make them usable and sustainable for farming purposes.
