

**COUNCIL MOTION**

**22 APRIL 2021**

**PROPOSED BY:** Councillor Tony Brough

**SECONDED BY:** Councillor Sir Ron Watson

**TITLE:** Identification of Brownfield Sites for Housing Development

That this Council acknowledges the current and high number of applications for housing within the Borough of Sefton and undertakes to reduce waiting times for applicants by identifying and promoting 'brownfield' sites for housing development. The use of these sites would increase the number of dwellings available for occupation and reduce waiting times for applicants.
