Care

**17. APOLOGIES FOR ABSENCE**

Apologies for absence were received from Councillor Halsall and his Substitute Councillor Howard; Councillor Irving and his Substitute Councillor Bennett; Councillor Jones and his Substitute Councillor Riley; Councillor Thomas; and Councillor Moncur, Cabinet Member – Health and Wellbeing.

**18. DECLARATIONS OF INTEREST**

No declarations of any disclosable pecuniary interests or personal interests were received.

**19. MINUTES OF THE PREVIOUS MEETING**

RESOLVED:

That the Minutes of the meetings held on 22 June and 27 July 2021, be confirmed as a correct record.

**20. CURRENT CHALLENGES FACED BY DENTISTRY IN LIGHT OF THE COVID 19 PANDEMIC**

The Committee considered the report of the Head of Primary Care, NHS England and NHS Improvement (NHSEI) on the current challenges faced by dentistry in light of the Covid-19 pandemic and the impact this is having on service delivery.

The report set out the background to the matter, together with the current position, in that some practices were not yet able to offer the full range of services that they would want to at this point in time. The report concludes that current infection prevention and control arrangements would continue to prevent a return to pre-pandemic practice, and that income protection measures to support the restoration of the service would be retained.

## OVERVIEW AND SCRUTINY COMMITTEE (ADULT SOCIAL CARE AND HEALTH) - TUESDAY 7TH SEPTEMBER, 2021

Mr. Tom Knight, Head of Primary Care, NHS England and NHS Improvement North West (Cheshire and Merseyside), attended the meeting to provide up-to-date information and to respond to questions on the matter.

Members of the Committee asked questions/raised matters on the following issues:

- How information was communicated to the public in the event that they were unable to access dental services, particularly for those people who did not use IT.
- Information on Urgent Dental Centres (UDCs) in Sefton, including numbers, sharing of data, the non-permanent nature of UDCs, and the return to routine care and funding.
- Private dental care and the lack of NHS facilities in parts of the Borough.
- Queries and complaints received by Healthwatch Sefton on the lack of NHS dental appointments available in recent months.
- The ability for certain early stage cancers to be detected early at routine dental appointments.
- Disappointment that there was no UDC in Southport.

RESOLVED:

That the report on the current challenges faced by dentistry in light of the Covid-19 pandemic and the impact this is having on service delivery, be noted.

### **21. SEFTON INTEGRATED CARE HOME STRATEGY**

The Committee considered the report of the Executive Director of Adult Social Care and Health that presented the Sefton Integrated Care Home Strategy 2021-24 that would be submitted to the Health and Wellbeing Board for approval. The report set out the rationale and development of the strategy; key themes and objectives within the Strategy; and delivery of the Strategy and governance arrangements. The report concluded that the Strategy had been produced as part of a joint commitment to further Adult Social Care and Health integrated working in this sector to ensure that it continued to meet the needs of the Sefton population and would be a key part of the delivery of the emerging Integrated Care Partnership.

Appendix A to the report set out the Sefton Integrated Care Home Strategy 2021-24 and Appendix B to the report set out the governance and delivery arrangements for the Strategy.

Members of the Committee asked questions/raised matters on the following issues:

- The resources required to maintain the commitment to keep people in their own home.

## OVERVIEW AND SCRUTINY COMMITTEE (ADULT SOCIAL CARE AND HEALTH) - TUESDAY 7TH SEPTEMBER, 2021

- Continuing care and the need to involve Healthwatch Sefton.
- The need for an effective, trained workforce and the use of agency staff.
- The impact of Brexit on the care home sector and the importance of reporting this aspect.
- The “market” aspect of the care home sector, although a significant part of the market was not for profit.
- Understanding the full costs of care.
- Preventative measures required, including falls, etc.
- The mandatory nature of covid jabs for care home staff, although this was not mandatory for agency staff.
- The overall strategy to keep people out of care homes and in their own homes, wherever possible.
- The importance of care closer to home.

### RESOLVED:

- (1) the Sefton Integrated Care Home Strategy 2021-24 be noted; and
- (2) the Governance and Delivery Structure for the Strategy be noted, together with the intention for further reports to be submitted to the Committee throughout the life of the Strategy in order to provide updates on the delivery of the Strategy.

## **22. SEFTON INTEGRATED CARE PARTNERSHIP DEVELOPMENT**

Further to Minute No. 9 of the Health and Wellbeing Board on 9 June 2021, the Committee considered the report of the Executive Director of Adult Social Care and Health presenting the latest position with regards to steps to develop a Sefton Integrated Care Partnership (ICP) following approval from the Cabinet in April 2021. Since being submitted to the Health and Wellbeing Board, the report had been updated slightly to reflect a change in terminology following the publication of the Health and Care Bill in July 2021. The report set out the background to the matter, together with milestones for Sefton ICP development; progress of the Sefton ICP; key deliverables; expectations from the Integrated Care System; and governance and accountability.

Members of the Committee asked questions/raised matters on the following issues:

- How matters would work under the Cheshire and Merseyside Integrated Care Partnership (ICP).
- Funding under the ICP.
- The frequency of reforms under health and social care and how effective the current reforms would be.
- The importance of involvement by Overview and Scrutiny in terms of accountability.
- Sefton was considered to be a leader in terms of integration.

## OVERVIEW AND SCRUTINY COMMITTEE (ADULT SOCIAL CARE AND HEALTH) - TUESDAY 7TH SEPTEMBER, 2021

### RESOLVED:

- (1) the contents of the report be received, and comments by Members be noted; and
- (2) oversight be provided by the Committee on the direction of travel and decisions regarding the Integrated Care Partnership, as they develop.

### **23. MENTAL HEALTH ISSUES WORKING GROUP FINAL REPORT**

The Committee considered the report of the Chief Legal and Democratic Officer presenting formally the final report of the Mental Health Issues Working Group. The final report of the Mental Health Issues Working Group was attached to the report.

Mr. Roger Hutchings, co-opted Member representing Healthwatch Sefton, presented the report.

Members of the Committee asked questions/raised matters on the following issues:

- Progress was still required to ensure that the term “parity of esteem” regarding mental health awareness was fully integrated into all aspects of health discussion.
- A great deal of work had been undertaken in terms of mental health in recent years, although further progress was always welcomed.
- Health and safety covered all working conditions, including mental health.
- The number of mental health first aiders within the Council, compared to first aiders was requested.

### RESOLVED:

That the Executive Director of Adult Social Care and Health be requested to develop an action plan that incorporates the following recommendations and that the recommendations are taken forward into commissioning plans:

- A. support the development of accurate data to evidence Key Performance Indicators, to include waiting times for services and customer satisfaction, to be presented to the Overview and Scrutiny Committee (Adult Social Care and Health) on a regular basis, in the form of a dashboard;
- B. support the development of greater parity of esteem for mental health within the Council’s Health and Wellbeing Strategy and other strategic documents;
- C. consider methods of increasing feedback from service users, to include case studies and a “secret shopper” approach, in order to

## OVERVIEW AND SCRUTINY COMMITTEE (ADULT SOCIAL CARE AND HEALTH) - TUESDAY 7TH SEPTEMBER, 2021

- encourage an approach of continuous improvement for service user experience;
- D. consider methods of increasing service user involvement, particularly in their own crisis planning, in anticipation of reforms to the Mental Health Act;
  - E. consider methods of encouraging service users to become “experts by experience”, particularly through the use of Mersey Care facilities such as the Life Rooms and Crisis Cafes;
  - F. support the development of Integrated Care Systems for a more holistic approach to issues that can impact on mental health, such as housing, addiction, complex lives issues, etc.;
  - G. support the inclusion of approaches adopted during the pandemic, such as the use of video technology, within the development of the Technology Enabled Care Services Strategy;
  - H. undertake a review of some of the services traditionally provided, in the light of alternative services provided and service user take-up of those services, during the pandemic;
  - I. submit a report on the work and outcome of the Sefton Mental Health Review Task and Finish Group, set up between the Council, CCG’s, Mersey Care NHS Foundation Trust and the voluntary sector, to the Overview and Scrutiny Committee (Adult Social Care and Health), in due course;
  - J. review digital entry points for service users to access the Council’s mental health services, in order to ensure that access is as straightforward as possible via the Council’s website and that links to other organisations are readily available;
  - K. submit a report on the work undertaken in relation to transitions from children’s services to adult services, to the Overview and Scrutiny Committee (Adult Social Care and Health), in due course to include care leavers and other vulnerable user groups;
  - L. review the Directory of Services available, in order to produce a map of services, to assist service users to navigate the system;
  - M. report progress regarding the formal assessment of diagnosis for Special Educational Needs and Disabilities/Autism Spectrum Disorder conditions in young people aged 18-25 and adults, within the six-monthly monitoring report, on the outcome of additional funding and training of staff provided by Mersey Care NHS Foundation Trust and the Clinical Commissioning Groups for the reduction of waiting times for diagnosis;

## OVERVIEW AND SCRUTINY COMMITTEE (ADULT SOCIAL CARE AND HEALTH) - TUESDAY 7TH SEPTEMBER, 2021

2. that the Senior Democratic Services Officer be requested to liaise with relevant officers in order to ensure that the Overview and Scrutiny Committee (Adult Social Care and Health) receives a six-monthly monitoring report, setting out progress made against each of the recommendations outlined above; and
3. that the relevant officers be requested to provide numbers of mental health first aiders within the Council, compared to first aiders.

### **24. SEFTON CLINICAL COMMISSIONING GROUPS - UPDATE REPORT**

The Committee considered the joint report of the NHS South Sefton Clinical Commissioning Group (CCG) and the NHS Southport and Formby CCG, that provided an update about the work of the CCGs. The report outlined details of the following:
