MERSEYSIDE FIRE AND RESCUE SERVICE IS 'OUTSTANDING' AT PREVENTING FIRES, RESPONDING TO MAJOR INCIDENTS AND MAKING THE BEST USE OF RESOURCES

This Council:-

puts on record its thanks and congratulations to the Merseyside Fire and Rescue Authority and all the dedicated staff of the service for, yet again, achieving the highest national marking, being awarded three levels of outstanding, from HM Inspector of Fire and Rescue Services.

In the face of Government financial cuts and indifference, they have kept Merseyside, and Sefton in particular, safer than any other part of the Country.
