Dear Sir / Madam

I wish to object to the application from 185-187 Linacre Road, L21 8JS , a Premises Licence for the sale and Supply of Alcohol from 7.00 - 23.00, 7 days a week. (This is going to be [REDACTED])

My objection is based on my concern that this new premises licence may affect my children health. I already have Autism and ADHD children with mental health. Kids with autism have difficulty falling asleep. When the shop opens till at very late night , the facia bright lights would distract my kids from sleeping, they can look over the window all the time. As a mother of Autism and ADHD children I have responsibility to take care of them with everything which cause more worse than current situation of their health.

And also this would increase the possibility of public nuisance for the many of local residents, including me.

It would be appreciated if you could consider my objection.

Yours faithfully

Dear

I am writing to register my objection to the application for a premises licence **All** days, 185-187 Linacre Road, L21 8JS for a Premises Licence for the sale and **S**upply of Alcohol from 7am to 11pm every day.

I live in  the shop which is going to open soon. **Al**ready the problem has started with the work is undergoing in that shop. There is a skip outside and 3 days ago some young kids were lit a fire and fire brigade also came. My concern that this new licence shop may increase the problem to us who lives closely. Possibility of young people walking around near the road and asking for alcohol , and make some noises would affect our daily life.

I hope you can understand our situation. and help us somewhere.

Thank you

Yours faithfully

To whom it may concern

Please accept this letter as a formal objection on the premises license application All days, 185-187 Linacre Road, L21 8JS for a sale of alcohol from 7am to 11pm 7 days a week.

As there are already a number of premises licensed to sell alcohol in the locality. There is no use of adding another one, too much competitive, reduce prices. I consider there to be sufficient alcoholic beverage outlets in this road already.

This would not benefit the local community as the noise disrupts sleep of both children and adults, and excessive drinking could increase anti-social behaviour in the area..

I appreciate you taking this information into consideration to make the right choice for the local community.

Thank you

# PETITION TO SEFTON MBC PLANNING COMMITTEE

Date: ... 15/03/2022

Application No./Title/Details:

Licensing Act 2003 (Premises & Club Premises)

185 - 187 Linacre Road, Liverpool, L21 8JS has applied for a Premises License.

Paragraph detailing reasons for the petition:

Our objection is based on that the new application (185-187 Linacre Road) proposes that alcohol will be sold for consumption of the premises between 7am to 11pm, seven days a week. (1 hour earlier than near shop) Granting a license would provide a further source of alcohol within an area already so heavily populated with licensed premises, This will result in undue and unnecessary costs in alcohol prices reduction being sold and easily accessible to the vulnerable public to access. The consequences will be crowds of young and vulnerable people causing disturbance on streets and causing havoc on our safe streets at the moment.

We would be grateful if the Licensing team would consider our objection.

Thank you.
