Appendices:

The following appendices are attached to this report:

- Ofsted Summary of Outcomes and Support Spring 2022 – Published results for the schools outlined

Background Papers:

There are no background papers available for inspection.

1. Introduction/Background

- 1.1 Schools can be inspected under the Education Act 2005 Section 5 or Section 8 guidance.
- 1.2 Under the education inspection framework section 5 inspections, inspectors will make the following judgements about schools: overall effectiveness; quality of education; behaviour and attitudes; personal development and leadership and management. If the school offers early years provision and sixth-form provision, inspectors will also make judgements on these areas.
- 1.3 Under the education inspection framework section 8 inspections may be carried out for a range of reasons: schools judged to be good or outstanding at their most recent section 5 inspection; monitoring inspections of schools judged as requires improvement; monitoring inspections of schools judged to have serious weaknesses; monitoring inspections of schools judged to require special measures; any inspection that is carried out in other circumstances where the inspection has no specific designation, known as 'section 8 no formal designation inspection' and unannounced behaviour inspections.
- 1.4 The usual interval for section 5 inspections is within 5 school years from the end of the school year in which the last section 5 or relevant section 8 inspection took place.

2. Support from School Improvement Team:

- 2.1 All schools currently judged Requires Improvement or Inadequate receive support and challenge from the School Improvement Team. In addition, the team also broker support.
- 2.2 All schools currently judged Good or Outstanding are able to access a health check when in the Ofsted window. This enables the school to identify any areas that they need support with. The team will then provide or broker support if required.

- 2.3 Once the school receives the call a member of the team will contact them to check if any support is required and keep in contact throughout the inspection.
- 2.4 The Service Manager for School Improvement or the Head of Education Excellence meet with the lead inspector during the inspection and attend the final feedback.
- 2.5 Following the inspection report being released the team will again provide or broker support as appropriate.
