

## **COUNCIL MOTION**

**15 September 2022**

**PROPOSED BY: Councillor Pugh**

**SECONDED BY: Councillor Sathiy**

### **RAW SEWAGE ENTERING THE WATER COURSE**

This Council:

- (1) is seriously disturbed by reports of raw sewage entering Sefton water courses and the potential impacts on health and tourism
- (2) recognises its legal responsibilities in relation to public health
- (3) calls on the relevant Water Utility companies to provide for the Council monthly data on these incidents and details of progress made to prevent and mitigate such episodes
- (4) believes that councils should have powers to fine water utility companies for preventable sewage dumping
