1. Introduction and Background

- 1.1 The Chartered Institute of Public Finance and Accountancy (CIPFA) Position statement on Audit Committees states that Audit Committees are a key component of an authority's governance framework. Their function is to provide an independent and high level resource to support good governance and strong public financial management.
- 1.2 The Position Statement also states that "The audit committee should be held to account on a regular basis by the group to which it is accountable. For a local authority audit committee, this will be the Council. The aspects that should be specifically considered include:
 - whether the committee has fulfilled its agreed terms of reference
 - whether the committee has adopted recommended practice
 - whether the development needs of committee members have been assessed and whether committee members are accessing briefing and training opportunities
 - whether the committee has assessed its own effectiveness or been the subject of a review and the conclusions and actions from that review
 - what impact the committee has on the improvement of governance, risk and control within the authority".
- 1.3 Within the Chartered Institute of Public Finance and Accountancy (CIPFA) model Terms of Reference (2018), which the Council adopted in May 2021, there is a requirement to publish an annual report on the work of the committee as well as to report to full council on a regular basis on the committee's performance in relation to the terms of reference and the effectiveness of the committee in meeting its purpose.

- 1.4 The proposed requirement stems from good practice to outline an Annual Report of the Audit and Governance Committee to the Council setting out all the activities/decisions taken by the Committee during that year. The report should as a result enhance accountability of the Committee and its decision making and good governance
- 1.5 The Annual Report of the Audit and Governance Committee outlines the Committee's work and achievements over the year ending 31 March 2022 and demonstrates to residents and Council stakeholders the important role that is carried out by the Committee and its contribution to the Council's overall governance arrangements.

2. Audit and Governance Committee Terms of Reference and Work Programme

- 2.1 Following adoption of the model Terms of Reference of the Committee by the Council in May 2021 this is the second Audit and Governance Annual Report that has been produced and approved by the Chair of the Committee. The Annual Report, along with the Work Programme of the Committee, was developed further in 2021-2022 to ensure that the Committee remained effective in addressing all elements of the adopted model Terms of Reference.
- 2.2 Appendix 2 to the report sets out the Work Programme of the Committee covered in 2021-2022 comprising the schedule of meetings for the Committee and the reports to be considered at each of those meetings.
- 2.3 The Work Programme for each Municipal Year is an important element of planning the year ahead as it ensures that the Committee remains on target in reviewing the effectiveness of the Committee and is effectively monitoring/reviewing the Terms of Reference of the Committee (Appendix 3 to the report). Appendices 2 and 3 work hand-in-hand in that all elements of the Terms of Reference are monitored through the submission of reports/briefings to the Committee. It is also important to note that an element of flexibility in relation to the Work Programme is applied in order that any ad hoc/urgent pieces work may be undertaken/reviewed by the Committee as and when required.
