

COUNCIL MOTION

29 September 2022

PROPOSED BY: Councillor Pugh

SECONDED BY: Councillor Sathiy

RAW SEWAGE ENTERING THE WATER COURSE

This Council:

- (1) is seriously disturbed by reports of raw sewage entering Sefton water courses and the potential impacts on health and tourism
- (2) recognises its legal responsibilities in relation to public health
- (3) calls on the relevant Water Utility companies to provide for the Council monthly data on these incidents and details of progress made to prevent and mitigate such episodes
- (4) believes that councils should have powers to fine water utility companies for preventable sewage dumping
