With reference to S/2010/0350.

Dear Mr Steve Faulkner,

We object to the building of a multi-storey car park in Islington, over the site of the existing council car park on the following grounds.

- A) Sandalwood is a Leasehold estate of 54 Retirement Apartments for those aged 60 and over. We do not welcome overlooking a multi-storey car park and the noise and disruption involved. Have you thought about the environmental impact on residents?
- B) We are concerned about the increase in traffic along Islington and Coronation Roads. The increased traffic will make it even more difficult to safely cross the road to Crosby village and Sainsbury's for elderly vulnerable people.
