**Background Papers:**

There are no background papers available for inspection.

1. Introduction/Background

- 1.1 The local authority has a clear statutory duty to promote Education Excellence and the highest standards for all Sefton children; irrespective of what establishment they attend. These duties are outlined in recently Published key documents by the Department for Education.

**Schools White Paper, 28 March 2022** - The White Paper covers teaching and leadership in schools, preventing and tackling under-performance, curriculum reform, governance & standards, and fair funding for schools, which is the subject of a separate consultation. Every school to become an academy.

**SEND and Alternative Provision (AP) green paper:** responding to the consultation The green paper has been published alongside a white paper: Opportunities for All: Strong Schools with Great Teachers for Your Child. It sets out the government's vision for new attainment targets in literacy and numeracy, an academy-led education system and a drive to increase attendance).

A combination of the statutory duty and the newly published documents combined with the need to refresh the current strategy, has resulted in the consultation and creation of this draft strategy.

- 1.2 The Education Excellence Strategy for Sefton 2022-27 is intended to be an overarching plan which articulates the council's ambitions of helping every young person in Sefton to unlock the door to more choices and opportunities. It is based on key priorities identified within the 2030 Vision for Sefton, Sefton's Health & Wellbeing Strategy 2020-2025, Sefton's Children & Young People Plan 2020-2025 and Sefton's Joint Strategic Needs Assessment.

This high-level strategic document is split into four key priorities

- Excellent teachers supported by excellent staff
- Raise achievement and ensure young people have the life skills to prepare for adulthood
- All Children and young people achieve their full potential people
- School Systems to Support Children and their Families

- 1.3 Each of the priorities has a series of key actions within them which collectively seek to help deliver a vision of Excellence in Sefton - All children and young people receive an education in Sefton which enables them to reach their individual potential, have a clear pathway to further education, employment and engage positively with others in their community.

- 1.4 These actions are contained with a plan from page 13 onwards of the document, which sets out how the Local Authority and its partners will deliver over the coming years. (The plan purposely has blank space available to allow individual schools and the Sefton Schools Improvement Groups to use it as a live document, as well as naming the lead teams from the Local Authority for the areas of work).
