## Appendices:

The following appendices are attached to this report:

- Ofsted Summary of Outcomes and Support Spring 2023 – Published results for the schools outlined.

## Background Papers:

There are no background papers available for inspection.

## 1. Introduction/Background

- 1.1 Schools can be inspected under Section 5 or Section 8 guidance.
- 1.2 Under the education inspection framework section 5 inspections, inspectors will make the following judgements about schools: overall effectiveness; quality of

education; behaviour and attitudes; personal development and leadership and management. If the school offers early years provision and sixth-form provision, inspectors will also make judgements on these areas.

- 1.3 Under the education inspection framework section 8 inspections may be carried out for a range of reasons: schools judged to be good or outstanding at their most recent section 5 inspection; monitoring inspections of schools judged as requires improvement; monitoring inspections of schools judged to have serious weaknesses; monitoring inspections of schools judged to require special measures; any inspection that is carried out in other circumstances where the inspection has no specific designation, known as 'section 8 no formal designation inspection' and unannounced behaviour inspections.
- 1.4 The usual interval for section 5 inspections is within 5 school years from the end of the school year in which the last section 5 or relevant section 8 inspection took place.

## **2. Support from School Improvement Team:**

- 2.1 All schools currently judged Requires Improvement or Inadequate receive support and challenge from the School Improvement Team. In addition, the team also broker support. Schools with two RI judgements or judged inadequate receive support from the DFE including a National Leader of Education working with the school and the Local Authority on a school improvement programme.
- 2.2 All schools currently judged Good or Outstanding have access to a health check when in the Ofsted window. This enables the school to identify any areas that they need support with. The team will then provide or broker support if required.
- 2.3 Once the school receives the call a member of the team will contact them to check if any support is required and keep in contact throughout the inspection.
- 2.4 The Service Manager for School Improvement or the Assistant Director of Education Excellence meet with the lead inspector during the inspection and attend the final feedback.
- 2.5 Following the inspection report being released the team will again provide or broker support as appropriate.
- 2.6 The Local Authority are held to account by the DFE and the Senior HMI for school performance. The main focus of discussions is regarding all schools judged as Requiring Improvement or Inadequate, the capacity to improve and the impact of support provided.
