- How many schools in the Borough had applied for the RE Quality Mark

The Committee noted the advice provided by SACRE to the Local Authority as follows:

1.To review the funding of SACRE to ensure it is in line with national recommendations and good practice;

2.To review the membership of SACRE to ensure it reflects the breadth and diversity of the borough in terms of faiths and beliefs and schools structures.

3.To investigate the provision of quality teaching of RE at Key Stage Four for the non-examined students.

4.To provide opportunities for SACRE to work with other key areas of the Local Authority including the Communities team in order to support community cohesion.

RESOLVED:

- (1) That the Committee noted the report
- (2) That the Committee accepted the advice provided by SACRE to the Local Authority

49. SERIOUS VIOLENCE DUTY

The Committee considered the report of the Assistant Director of People (Communities) updating on the serious violence duty which came into force in January 2023 and required specified authorities to publish a strategy by January 2024, to prevent and reduce serious violence; and which indicated that work in preparing the strategy on Merseyside had been coordinated by the Office of the Police and Crime Commissioner.

The report indicated that following public consultation in July 2019, the Government announced that it would introduce legislation relating to a serious violence duty; that this aimed to ensure that relevant services worked together to share information to target interventions, where possible through existing partnership structures, to prevent and reduce serious violence within their local communities; that the Government also announced that it would amend the Crime and Disorder Act 1998 to ensure that serious violence was an explicit priority for Community Safety Partnerships and by making sure they had a strategy in place to explicitly tackle serious violence; and that whilst the guidance did not specify a particular partnership to lead, given the categories classed as “Serious Violence” were contained within the Community Safety Strategy, it made sense that the Safer Sefton Together (SST) was the partnership lead body for Sefton.

Appendix 1 to the report provided a timeline of the work undertaken within the last year relating to the readiness assessment, which identified a need to support the relevant authorities across Merseyside to facilitate stronger co-production across existing governance structures; and the consultation exercise undertaken to understand the perception of the problem, causes and consequences.

The draft Serious Violence Strategy document was attached as Appendix 2 to the report.

The report also provided information on the local delivery plan that was more specific for Sefton’s communities; and advised that the first draft of the delivery plan was currently being developed and would be mapped against the high level strategic aims of the strategy but also cross-

referenced to the priorities contained within the Safer Sefton Together Strategy 2023-26 and would be reviewed through 2024; but however, there was no additional funding for LA's to deliver the duty and therefore the delivery plan would reflect the work already underway in preventing and reducing serious violence in our communities.

The report concluded by seeking the views of the Committee on the draft strategy and the local delivery plan.

The report would also be considered by other Overview and Scrutiny Committees.

Members of the Committee asked questions/commented on the following matters:

- The reason for not including domestic violence in the serious violence definition.
- The Safeguarding Children Partnership was omitted from the diagram on page 89 of the agenda
- The impact of local interventions should be included in the document such as the work on the Park Lane estate.

RESOLVED:

- (1) That the report updating on the serious violence duty be noted
- (2) The suggested amendments to include the Sefton Safeguarding Children Partnership in the diagram on page 89 and the inclusion of local interventions be fed back to the office of the Police and Crime Commissioner.
- (3) That a further report be brought back to the Committee in six months to provide an update on the strategy and the work to tackle serious violence.
