

# Main Provider Performance October 2024

The following slides present performance against key strategic, NHS constitution, quality and safety indicators for the main providers the Sefton Place commission from.

Time periods vary for the indicators presented and are indicated in the tables latest data available displayed.

**To Note:** Following a consultation on the cancer waiting times standards, NHS England had approval from the government to implement changes to the standards from 1 October 2023, this data for Cancer is reflected within the report for these new metrics (62 day combined, 31 day combined and 28 day FDS).
