Background

1. Members will recall that Sefton's Statement of Licensing Policy followed the recommended delegation of functions contained within the "Guidance Issued Under Section 182 of the Licensing Act 2003".
2. In effect this means that where there are no relevant representations to an application for the grant of a Premise Licence or Club Premise Certificate, or police objections to an application for a Personal Licence or a Temporary Event Notice, then these matters are dealt with by Officers. This ensures that decisions and functions, particularly for non-contentious applications and purely administrative functions, are taken or carried out in a speedy, efficient and cost-effective way.
3. The Guidance also recommends that, where powers have been delegated as above, Licensing Committees should receive regular reports on decisions made by Officers in order that they may maintain an overview of the general licensing situation.

Numbers determined

4. During the period 11th September 2010 to 7th October 2010 the following number of applications have been determined:

• Applications made under Premise Licences	27
• Applications made under Personal Licences	16
• Notification of Temporary Event Notices	6
