SECTION A - INTRODUCTION TO THE FINANCIAL PROCEDURE RULES

- A.1 The Financial and Contract Procedure Rules provide the framework for managing the Council's financial affairs. They apply to every Member and Officer of the Council and anyone acting on its behalf, including School Governors operating under local delegation arrangements. All decision makers need to ensure that they are not only empowered under the Constitution to make every decision that they propose to make, but that they are also authorised under these Rules to incur the financial consequences of every decision that they make.
- A.2 The Rules identify the financial responsibilities of the full Council, Cabinet, Overview and Scrutiny Members, statutory officers and the Executive Directors and Assistant Directors. A written record shall be kept of all decisions taken under these Rules which are taken using delegated powers.
- A.3 All Members and staff have a general responsibility for taking reasonable action to provide for the security of the assets under their control, and for ensuring that the use of these resources is legal, is warranted, properly authorised, provides value for money and achieves best value and is in the interest of the Council's citizens.
- A.4 The Section 151 Officer is responsible for maintaining a regular review of the Financial Procedure Rules and submitting any additions or changes necessary to the full Council for approval. The Assistant Director Corporate Resources and Customer Services (Strategic Support) is responsible for maintaining a regular review of the Contract Procedure Rules and submitting any additions or changes necessary to the full Council for approval. The Section 151 Officer is also responsible for reporting, where appropriate, breaches of the Financial and Contract Procedure Rules to Audit and Governance Committee.
- A.5 Executive Directors and Assistant Directors are responsible for ensuring that all staff in their Services are aware of the existence and content of the Council's Financial and Contract Procedure Rules and other internal regulatory documents and that they comply with them, as required by the Council's Code of Conduct for Employees and this Constitution. Failure to comply with the Code of Conduct will be dealt with in accordance with the Council's Disciplinary Policy and Procedure. These documents will be located on the Sefton intranet for reference. Where staff do not have access to the intranet, Executive Directors and Assistant Directors must ensure that an adequate number of copies of the relevant policies are available for reference within their Services.
- A.6 The Section 151 Officer, is responsible for issuing advice and guidance to underpin the Financial and Contract Procedure Rules that Members,

officers and others acting on behalf of the Council are required to follow.

- A.7 The Rules are not intended to cover every eventuality, but the spirit of the Rules must always be followed. Where there is any uncertainty in matters of interpretation, advice should be sought from the Section 151 Officer before decisions or actions are taken.

- B.31 Executive Directors and Assistant Directors are responsible for and accountable for the financial management arrangements within their service area. SCHEMES OF FINANCIAL DELEGATION

- B.32 Executive Directors and Assistant Directors will establish, operate and annually review Schemes of Financial Delegation, in consultation with the Section 151 Officer, to ensure that:
- a. the day to day financial management of services within their directorate is carried out in a secure, efficient and effective

- manner, and in accordance with the Financial Procedure Rules and associated relevant guidance.
- b. expenditure is contained within the service's overall approved budget and that individual budget heads are not overspent, by monitoring the budget and taking appropriate and timely corrective action where significant variances are forecast and if necessary, seeking specific in year approval for the transfer of resources between budgets.
 - c. regular reports in an approved format are made to Cabinet on projected expenditure against budget and performance against service outcome targets.

The Section 151 Officer to review and approve all Schemes of Financial Delegation on an annual basis.

MANAGING EXPENDITURE

SCHEME OF VIREMENT

- B.34 A virement constitutes the movement of existing approved budgets from one area to another and is not an increase in overall budgets through

the addition of new monies.

- B.35 The Scheme of Virement is intended to enable the Cabinet, Executive Leadership Team and Strategic Leadership Board and their staff to manage budgets with a degree of flexibility within the overall policy framework determined by the full Council, and therefore to optimise the use of resources.
- B.36 The full Council is responsible for agreeing limits for virement of expenditure between budget headings.
- B.37 Executive Directors and Assistant Directors are responsible for agreeing in-year virements within delegated limits; in consultation with the Section 151 Officer where required and ensuring that written records of any changes are maintained.
- B.38 Key controls for the scheme of virement are:
- a. it is administered by the Section 151 Officer within guidelines set by the full Council. Any departure from this scheme requires the approval of the full Council.
 - b. the overall budget is agreed by the Cabinet and approved by the full Council. Executive Directors, Assistant Directors and budget managers are therefore authorised to incur expenditure in accordance with the estimates that make up the budget. Income received cannot be used to defray expenditure.
 - c. for the purposes of this scheme, a budget head is considered to be a division of service as identified in the approved Budget Report, or, as a minimum, at an equivalent level to the standard service subdivision as defined by CIPFA's Service Expenditure Analysis
 - d. virement does not create additional overall budget liability
 - e. no virements are permitted from ring fenced budgets
- B.39 Some revenue virements are essentially of an administrative nature, for example, implementation of restructuring and reorganisation proposals that have already received the appropriate level of officer and Member approval; routine changes to the structure of the chart of accounts or changes to notional accounting budgets which are required for reporting purposes but which do not impact on the Councils cash expenditure. Where the virement is of an administrative nature, Member approval is not required and approval limits will be based on the Scheme of Financial Delegation. Administrative virements that exceed these limits will be approved by the Section 151 Officer.
- B.40 Executive Directors and Assistant Directors are expected to exercise their discretion in managing their budgets responsibly and prudently. For example, they should aim to avoid supporting recurring expenditure from one-off sources of savings or additional income, or creating future commitments, including full-year effects of decisions made part way

through a year, for which they have not identified future resources. Executive Directors and Assistant Directors must plan to fund such commitments from within their own budgets.

- B.41 Where transfers are a single transaction, they must be affected as such and must not be undertaken as two or more smaller transactions. Approval limits for virements are as follows:

REVENUE AND CAPITAL VIREMENTS

VIREMENT WITHIN A PORTFOLIO

Virement Amount (within portfolio)	Approval Level
Up to and including £100,000	The relevant Executive Director or Assistant Director

SUPPLEMENTARY REVENUE ESTIMATES

- B.42 Where services wish to undertake an activity not originally identified in the budget or incur additional revenue expenditure on an existing activity where this is fully funded (for example through additional specific grant allocations), approval must be sought for a supplementary revenue estimate in accordance with the following table. The Section 151 Officer must be consulted to establish that any additional grant funding identified can be legitimately linked to the expenditure in question and the net impact of the proposal must be neutral on the Councils overall budget.
- B.43 Approval limits for fully funded supplementary revenue estimates are as follows:

Supplementary Estimate Amount	Approval Level
Up to and including £100,000	The relevant Executive Director or Assistant Director

Over £1,000,000	Council

B.44 During the financial year, all earmarked reserves and contingencies will be reviewed at least once. In the event that funding can be released the approval limits for the utilisation of this funding for either a supplementary revenue or capital estimate are as follows:

	From Earmarked Reserves	From Contingencies
Up to and including £250,000	Section 151 Officer	Section 151 Officer

Over £1,000,000	Council with recommendation from Cabinet	Cabinet

B.45 Supplementary revenue estimates which are to be funded wholly or in part from general reserves or general purpose funding (i.e. Council Tax or non-ring fenced grant) must be approved by Council regardless of value.

SUPPLEMENTARY CAPITAL ESTIMATES

B.46 Council approves the inclusion of capital block grant allocations within the capital programme. The respective Cabinet Members in conjunction with the Council's Section 151 Officer have delegated authority to allocate capital grants to capital projects to be included within the capital programme up to a level of £1m per individual scheme. Schemes above this threshold will require approval by Council.

- B.47 Supplementary capital estimates which are fully funded from external resources (e.g. specific grant; developer’s contributions) must be approved in accordance with following table.
- B.48 Capital budget increases funded wholly or in part from additional Council resources such as capital reserves, borrowing and capital receipts, regardless of value, must be approved by Council. Council approval is also required where there are significant revenue implications for future year’s budgets.
- B.49 Approval limits for supplementary capital estimates are as follows:

Supplementary Estimate Amount	Approval Level
Up to and including £100,000	Section 151 Officer in consultation with the Chief Executive

Over £1,000,000	Council with recommendation from Cabinet

SECTION 106

- B.50 Full delegation with respect of the allocation of Neighbourhoods Section 106 balances is given to the Assistant Director Communities.

- B.51 The Assistant Director of Communities will ensure that any expenditure commitments are in accordance with each individual agreement and the associated legislative requirements. The Assistant Director of Communities will make arrangements for adequate records to be kept to meet the reporting requirements of the Annual Infrastructure Funding Statement.
- B.52 Approval limits will be set by the Assistant Director of Communities and agreed with the Section 151 Officer and will be recorded within the Schemes of Financial Delegation for the service area.
- B.53 Reporting will be in accordance with the Council's normal and established monthly monitoring process.

TREATMENT OF YEAR END BALANCES

- B.54 The full Council is responsible for agreeing procedures for carrying forward under-and overspendings on budget headings.
- B.55 A budget heading is considered to be a division of service as identified in the approved Budget Report, or, at an equivalent level to the standard service subdivision as defined by CIPFA's Service Expenditure Analysis.
- B.56 Any revenue underspending at the year-end may be carried forward, subject to the agreement of the Cabinet. The Section 151 Officer will identify and make recommendations about the carry forward of underspends to Cabinet as part of the budget monitoring reporting process. All carry forward proposals must be supported by an appropriate business case demonstrating that the underspend was planned and that the resources carried forward will be earmarked for a specific and appropriate purpose. Executive Directors and Assistant Directors should include provisional indications of likely carry forward requests as part of their in year budget and performance monitoring. Before approval is sought for a carry forward, Executive Directors and Assistant Directors should ensure that there are no unfunded overspends within their service. It is extremely unlikely that proposed carry forwards will be approved if there are unfunded overspends elsewhere within the service.
- B.57 Capital block provisions are allocations within which the full cost value of approved schemes must be contained. Any uncommitted sum at the year-end may be carried forward subject to consideration by Cabinet. Any uncommitted sum which is not justified on this basis will be returned to Council balances. Equally, any overspending will be carried forward as the first call on the following year's provision.

ACCOUNTING POLICIES

- B.58 The Section 151 Officer is responsible for selecting appropriate accounting policies; exercising oversight of financial and accounting records and systems; and preparing and publishing reports containing statements on the overall finances of the Council including the annual statement of accounts.
- B.59 The key controls for accounting policies are:
- a. systems of internal control are in place to ensure that financial transactions are lawful

Approval of the statutory accounts has been delegated by Council to the Audit and Governance Committee.

SECTION C - FINANCIAL PLANNING

WHY THIS IS IMPORTANT

- C.1 Financial planning is the development of effective systems to enable scarce resources to be allocated in accordance with carefully weighed priorities. Preparing a policy framework, comprehensive budgets and robust business and performance plans are the key elements to achieving this. By regular monitoring, the Council can ensure that legal requirements and other relevant government guidelines are met and that variances and spending pressures are identified and dealt with promptly.
- C.2 The full Council is responsible for agreeing the Council's Budget, which will be proposed by the Cabinet. In terms of financial planning, the key elements are:
- a. the Medium Term Financial Plan – sets out:
 - what the Council wants to achieve in the short and medium term
 - how services will change in the light of priorities, performance, resources, workforce planning needs and consideration of risks
 - investment required to deliver change
 - how much services will cost in overall terms and to service users
 - b. the Budget – this is the financial expression of the Council's Business Plan. It sets out the allocation of resources to services and projects, the level of contingency funding, the Council Tax base and Council Tax rate, borrowing limits and capital financing requirements.
 - c. the Capital Programme – Capital expenditure involves acquiring or enhancing fixed assets with a long-term value to the Council, such as land, buildings, and major items of plant, equipment or vehicles. Capital assets shape the way services are delivered in the long term and create financial commitments for the future in the form of financing costs and revenue running costs.
 - d. the Capital Strategy and Treasury Management Strategy – which sets out the arrangements for the management of the Council's borrowing, lending, cash flows and investments
 - e. specific Strategies which have a financial implication
