That:

- (4) the Corporate Communications Strategy be removed from the Committee's Work Programme for 2024/25 and that the Corporate Communications Manager be requested to update the Strategy for 2025/26 and that a presentation be made to the Committee during that municipal year on the updated Strategy;

- (5) consideration be given to the selection of a topic(s) for review by either a Working Group or at informal meetings of the Committee as detailed in section 2 of the report;

- (7) the update on the Liverpool City Region Combined Authority Overview and Scrutiny Committee be noted.

## **1. The Rationale and Evidence for the Recommendations**

### **1.1 Work Programme 2024/25**

- 1.1.1 The Work Programme of items to be submitted to the Committee for consideration during the Municipal Year 2024/25, as approved by Committee in June 2024, is set out in Appendix 1 to the report. The programme had been produced in liaison with the appropriate Executive Directors/Assistant Directors, whose roles fall under the remit of the Committee.
- 1.1.2 The Work Programme was produced based on items included in last year's Programme.
- 1.1.3 Members are requested to consider whether there are any other items that they wish the Committee to consider, that fall within the terms of reference of the Committee. The Work Programme will be submitted to each meeting of the Committee during 2024/25 to provide Members with the opportunity to add items to the Programme.
- 1.1.4 The Work Programme indicates that presentations would be made to this meeting of the Committee on the Corporate Communications Strategy and an Update on Progress of LCR Digital Inclusion Strategy; and that a report would be submitted on Transformation Programme Update. It is now recommended that these presentations and the report be made/submitted to the meetings to be held on 14 and 20 January 2025.
- 1.1.5 **Deferred Items from Previous Meeting**

At its last meeting the Committee deferred a number of items for consideration at future meetings. The Committee asked for the reasons why the matters were deferred; and that the reasons be included in this report. Details are set out below.

#### **Corporate Communications Strategy Presentation**

This presentation should have been made to the meeting on 10 September 2024. However, lots of Communications Team resources leading up to September was targeted at dealing with and supporting activities following the terrible incidents in Southport at the end of July. Furthermore, it was considered that the events arising from the incidents could change the focus of what would be included in the Communications Strategy. This delayed the presentation to the meeting in September. The presentation was not ready to be made to the October meeting due to consultation continuing on the Strategy.

The Corporate Communications Manager has now requested that the Corporate Communications Strategy be removed from the agenda for this municipal year because his Team's focus has been on the continued working on the communications strategy for the Southport recovery; and that this will be reported to Cabinet in January 2025 as part of the wider Southport recovery update.

It is recommended that the Corporate Communications Manager consult with the Cabinet Member – Corporate Services on the next steps associated with the Strategy

with a view to updating it for 2025/26.

### **Update on Progress of LCR Digital Inclusion Strategy**

The officer to present the update was unavailable to attend the meeting as she was away at an LGA conference. Furthermore, this matter is a cross-cutting issue with the Overview and Scrutiny Committee (Regeneration and Skills). The Overview and Scrutiny Committee (Regeneration and Skills) work programme indicated that a presentation/update would be made to that meeting on 21 January 2025. Deferring the item therefore also had the benefit of both Committees considering this matter in the same cycle of meetings.

### **Transformation Programme Update**

The Transformation Plan had been produced for sign-off by the Executive Leadership Team. However, both Children's Services and Adult Social Care had requested changes to the Programme. This resulted in a delay which meant that the changes would not be ready until after the publication date of the agenda. However, due to on-going work with the Executive Leadership Team and Cabinet Members on the programme delivery, the report is still not ready for publication. Accordingly, it is recommended that the report be again deferred to the meeting to be held on 4 March 2025.

### **Air Quality Monitoring**

The annual Air Quality Monitoring report should have been considered at this meeting of the Committee. However, the Assistant Director – Highways and Public Protection has requested that due to unexpected recent staff sickness, the resultant knock on resource impacts for the Service Manager and highly technical nature of the report, it be deferred to the next Meeting of the committee to be held on 4 March 2025.

## **1.2 Scrutiny Review Topics 2024/25**

- 1.2.1 It has been usual practise for the Committee to appoint a Working Group(s) to undertake a scrutiny review of services during the Municipal Year.
- 1.2.2 However, over the last number of years the Committee agreed to hold informal meetings to consider topics for review rather than establishing Working Groups.
- 1.2.3 The Committee's views are therefore sought on topics for review by informal meetings of the Committee.
- 1.2.4 For the information of Members, a criteria checklist for selecting and rejecting potential topics to review is attached at **Appendix 2**.

## **1.3 Pre-Scrutiny of Items in the Key Decision Forward Plan**

- 1.3.1 Members may request to pre-scrutinise items from the Key Decision Forward Plan which fall under the remit (terms of reference) of this Committee. The Forward Plan, which is updated each month, sets out the list of items to be submitted to the Cabinet for consideration during the next four-month period.
- 1.3.2 The pre-scrutiny process assists Cabinet Members to make effective decisions by examining issues beforehand and making recommendations prior to a determination being made.
- 1.3.3 The Overview and Scrutiny Management Board has requested that only those key decisions that fall under the remit of each Overview and Scrutiny Committee should be included on the agenda for consideration.

- 1.3.4 The latest Forward Plan is attached at **Appendix 3** for this purpose. For ease of identification, items listed on the Forward Plan for the first time appear as shaded.
- 1.3.5 Should Members require further information in relation to any item on the Key Decision Forward Plan, would they please contact the relevant Officer named against the item in the Plan, prior to the Meeting.

#### **1.4 Liverpool City Region Combined Authority Overview and Scrutiny Committee**

- 1.4.1 As Members will be aware, the Overview and Scrutiny Management Board and the four Overview and Scrutiny Committees considered a report on the guidance produced by the Ministry of Housing, Communities and Local Government relating to Overview and Scrutiny in Local and Combined Authorities following on from the Communities and Local Government Select Committee's inquiry into Overview and Scrutiny. This Committee considered the matter at its meeting held on 22 October 2019 (Minute No. 20).
- 1.4.2 The Overview and Scrutiny Management Board and the four Overview and Scrutiny Committees all agreed the recommendations contained in the report, one of which being that updates on Liverpool City Region Combined Authority Overview and Scrutiny Committee (LCRCAO&S) be included in the Work Programme report considered at each Overview and Scrutiny Committee meeting.
- 1.4.3 In accordance with the above decision, information on the LCRCAO&S is set out below.

##### **1.4.4 Role**

The Overview and Scrutiny Committee was established by the Combined Authority in May 2017 in accordance with the Combined Authorities Order 2017.

The role of the Overview and Scrutiny Committee is to:

- Scrutinise the decision and actions taken by the Combined Authority or the Metro Mayor;
- Provide a 'critical friend to policy and strategy development;
- Undertake scrutiny reviews into areas of strategic importance for the people of the Liverpool City Region; and
- Monitor the delivery of the Combined Authority's strategic plan.

##### **1.4.5 Membership**

The Committee is made up of 3 elected Members from each of the constituent Local Authorities of the LCR Combined Authority, along with one elected Member from both the Liverpool City Region Liberal Democrat Group and the Liverpool City Region Conservative Group.

Sefton's appointed Members are Councillors Desmond, Hart and Hinde. Councillor Hart is Sefton's Scrutiny Link.

##### **1.4.6 Chair**

The Chair of the LCRCAO&S cannot be a member of the majority group. The Chair and Vice-Chair of the Committee for 2024/25 are Councillors Steve Radford and Pat Moloney respectively.

#### 1.4.7 **Quoracy Issues**

The quorum for meetings of the LCRCAO&S is 14, two-thirds of the total number of members, 20. This high threshold is not set by the Combined Authority but is set out in legislation. This has on occasion caused meetings to be inquorate.
