

Hi all

Please see our supporting information for the above hearing consisting of;

Examples/samples of the types of due diligence records that would be used at the premises and;

A copy of a letter sent to the objector (I posted the letter through the objectors letter box yesterday to ensure it was received quickly)

2 photos showing the new shop (the one with the shutters down) and its general location with a number of shops nearby (a small shopping centre/parade)

I'd be grateful if this could be circulated to the Sub Committee please

Age Verification Scheme Challenge 25

Sales of Alcohol at the premises

1: When a customer asks to buy alcohol, if the customer appears to look 25 or younger, the customer **MUST** be asked at the time of ordering if they are over 18 years of age. If the customer either refuses to answer, becomes verbally aggressive or replies no, then the sale **MUST** be refused and you **MUST** enter the refusal details in the Red Refusal Log book kept in the shop.

2: If the customer confirms that they are over 18, you must ask the customer for valid Identification.

(VALID MEANS – NOT DAMAGED, TAMPERED WITH AND NOT OUT OF DATE)

3: The only types of I.D. that can be accepted are:

- ✓ Valid passport (any nationality)
- ✓ Valid **BRITISH** Driving Licence (Full or Provisional)
- ✓ HM Services Warrant Card
- ✓ PASS Accredited Proof of Age Card
- ✓ Any other reliable photo ID that is approved for acceptance by the Police or other Authorised Officers.

It is our policy that we are unable to accept any other type of I.D.

You must check that the I.D. is VALID (within date), has not been tampered with and belongs to that person. You can then check by following this procedure.

- ✓ Check the date of birth to make sure the person is over 18.
- ✓ Check the photograph for a match.
- ✓ Check the personal details with the person – ask for their postcode or date of birth, address etc.
- ✓ **The easiest and best way to check is to take the I.D. from the person and ask the person to sign the ID Signature Book. Then check that both signatures match. You can ask the person to sign the ID Signature book again for your records if you are not sure.**

4: If you **100%** believe that the I.D. belongs to that person and they are over 18, then you can sell the alcohol.

5: If you have any doubts, you must refuse to sell the alcohol and immediately complete the refusals register.

6: If you believe or think that another person is attempting to buy alcohol for another person who may be underage, you must tell the customer that it is illegal and if they are you will report them to the police and inform them that they can be prosecuted and fined up to a £5000.

If you have any doubts, you must refuse to sell the alcohol unless the person can produce additional valid acceptable I.D.

7: If the customer becomes verbally abusive or aggressive, then refuse to sell and report this to your Manager

8: If the customer produces I.D. which you in your opinion does not belong to them, then this must be logged into the refusals book and reported to the police.

9: **DO NOT BECOME PERSONALLY INVOLVED IN ANY ARGUMENT OR DISCUSSION WITH THE PERSON.**
If the person becomes physically aggressive, then call the Police for assistance.

REMEMBER: IF IN DOUBT - DO NOT SELL

Answers to multiple choice questions

1	<p>What is an Age Verification Policy? Answer: C Summary</p> <p>In October 2010, an additional mandatory condition was automatically added on all Premises Licenses making it a legal requirement that all premises that sell or supply alcohol in England and Wales, must by law, adopt and operate a written Age Verification Policy.</p>
2	<p>Who is responsible for making sure an Age Verification policy is being carried out on the premises? Answer: B Summary</p> <p>The Age Verification policy is one of the mandatory conditions of the Premises Licence, it must be signed by the Premises Licence Holder, kept securely on the premises and produced on demand to a Police Constable or an officer authorised by the Licensing Authority.</p> <p>Failure of the owner of a licensed premise to operate an Age Verification Policy would be viewed as breach of conditions of the Premises Licence and is a punishable offence, which can eventually lead to the closure of the premises.</p>
3	<p>What does the owner of a licensed premise need to do to operate this Age Verification Policy? Answer: C Summary</p> <p>It is the responsibility of the owner of the business to put in place a checking system whereby all sellers of alcohol must be asked to request valid identification from individuals whom they suspect to be under the age of 18. Premises can adopt different schemes and the ones most widely used are Challenge 21 or Challenge 25.</p> <p>The scheme that is chosen by your premise, depends on the risk assessment that has been completed by the owner of the business. Posters or signage must be displayed in a prominent position on the premises and all refusals of the sale of alcohol must be documented in the customer refusal register.</p>
4	<p>What types of Identification am I allowed to accept? Answer: D Summary</p> <p>The most accepted forms of ID are passport, driving licence (provisional or full) and card issued by local schemes such as Citizencard or Validate UK bearing the official PASS hologram. It must not have been damaged or show signs of tampering or alterations.</p> <p>However, some Licensing Authorities have agreed to accept additional forms of ID such as the UK Forces ID card. Some premises will refuse to accept any form of ID that has been issued outside the UK. A 'driving permit' or a 'motorcycle driving licence' are not legal forms of ID. To be sure premises must check with your local authority to verify exactly what you can accept. The penalties for accepting the invalid ID are severe.</p>

5	<p>Can I accept ID that has been bought off the internet? Answer: A</p> <p><u>Summary</u></p> <p>There are thousands of different types of ID that can be bought over the internet. These cards are illegal to use and are sold as novelty cards.</p> <p>The police and trading standards office will prosecute you if you accept them.</p> <p>Learn to recognize what you can and cannot accept.</p>
6	<p>How do I decide if I need to ask someone for ID? Answer: C</p> <p><u>Summary</u></p> <p>Don't try to guess their age, that's not your job! Young people sometimes look much older than they really are especially if they are dressed for a night out on the town. Look for any signs of nervousness or maybe their friends are hanging around outside. Young people will try anything, use any methods to obtain alcohol or gain entry into a club. The rule of thumb is if you thought about their age when you first looked at them, then you need to check. This must be done before you sell them alcohol. Even after checking their ID, if they still cannot convince you they are 18 or over, then you must refuse to sell and log the refusal into your customer refusal book.</p>
7	<p>How do I ask someone for ID without upsetting them? Answer: A</p> <p><u>Summary</u></p> <p>Most people will normally always carry ID as they will be used to being asked and will not become upset. However, others some will be offended and make nasty comments or even become aggressive.</p> <p>Never ask a customer their age or apologise for asking for ID. By staying calm and not becoming involved in the argument will help to de-escalate the situation.</p> <p>You must always follow the code of practice that your company has in place for dealing with conflict situations.</p>
8	<p>What are the best methods for checking a persons ID? Answer: A</p> <p><u>Summary</u></p> <p>The Licensing Act 2003 does not say in detail of how you must check a persons ID. Premises must adopt their own methods as what they believe to be 'best practice'. Hold the card and look at it carefully. Does it feel genuine? Check the photograph against the person. Look for any damage or evidence of tampering. Check their date of birth, ask the person to confirm their personal details. If the ID shown to you contains an unusual name, ask them spell it. Most mis-users tend to forget the postcode. A good method is to obtain their signature in the customer refusal register.</p>

9

What is a good method to be really sure if the ID shown to me is genuine and really does belong to that person?

Answer: D

Summary

Premises that have adopted this method of obtaining signatures witnessed a huge reduction in mis-users as it appeared to frighten people off. Some people do not write their signature exactly the same, so you can give them an opportunity to repeat just to make sure.

If it happens that you are accused or charged with selling alcohol to a young person by mistake, the signature obtained can be used as your evidence in court in your defence as the 'evidence produced would have convinced a reasonable person'.

This is called due diligence.

10

How can I check if a persons ID is fake, has been forged or tampered with?

Answer: C

Summary

Fake ID's are widely available for anyone to purchase over the internet and can appear to be quite realistic. Some people even have equipment that can 'clone' ID's.

Driving licenses and passports are easy to verify. The hologram will show if you hold the driving licence or the covers of a passport under a UV money detector machine. Learn to recognize the different types of acceptable ID that you can and can't accept. Have a list of acceptable ID's (with photos) next to the point of sale on the premises. It is not illegal to use a damaged passport, but not recommended to accept it as valid ID.

11

Who must I by law, refuse the sale of alcohol to?

Answer: C

Summary

The law is very strict as to who you must refuse the sale of alcohol to and the penalties are severe for not just you but possibly your colleagues (if they were in a position to prevent the sale taking place). The Designated Premises Supervisor and even the Premises Licence Holder may also be prosecuted if you are caught selling in these circumstances.

12

What is the best way to refuse the sale of alcohol to someone with no ID?

Answer: D

Summary

By law you have the right to refuse to sell to any customer and you do not have to give a reason. However, this can create a conflict situation as customers need to have an understanding of why you will not sell to them. Do not apologise or enter into an argument with the customer, remain polite, calm and professional at all times. Call a colleague or a line Manager for assistance if necessary. Always follow your company's code of practice for these situations. Remember no ID, no sale every time.

13	<p>What is a proxy sale? Answer: C <u>Summary</u> As it is becoming increasingly difficult for under 18's to purchase alcohol, adults are now being pressurised outside shops to buy alcohol for young persons. Most young people hide in back rooms or corners of pubs hoping not to be seen as their friends buy their drinks. This is a dangerous practice for the owner of the business even if the young person appears to be nice and nearly old enough.</p> <p>The penalty for purchasing alcohol for an underage person is up to £1,000. The seller and other staff may also be prosecuted if it can be proved they knew at the time who the alcohol was purchased for and turned a blind eye to the sale.</p>
14	<p>How can I tell if an adult is buying or attempting to buy alcohol for an under 18? (called a proxy sale) Answer: C <u>Summary</u> Staff must learn to be more vigilant about who is on the premises and who is hanging around outside. At busy times it is difficult, however, you can always ask your customers questions about outside the premises. Displaying posters in prominent positions near the point of sale, warning customers of the penalties can also help.</p> <p>By law, the premises must do everything they can to prevent all illegal sales from taking place.</p>
15	<p>Are there any other products I cannot sell to underage persons without producing valid ID? Answer: C <u>Summary</u> By law, the age restrictions are as follows: Restricted age - 18 Cigarettes, tobacco products, knives and other offensive weapons, fireworks or sparklers, solvents or volatile substances, lighter refills containing butane, crossbows, airguns and pellets. Restricted age - 16 Lottery tickets, scratch cards, aerosol paints, caps, party poppers, cracker snaps, novelty matches and throw downs.</p> <p>There are severe penalties for those who are caught selling these items to underage persons without valid ID, with fines of up to £5,000 and 6 months imprisonment. Lottery tickets can be up to 2 years imprisonment. Video games are sold as shown on the age of certificate identified on the box.</p>
16	<p>What is the best way to deal with angry, aggressive or violent customers? Answer: A <u>Summary</u> The majority of people who become angry when asked for ID do so because they are usually under 18. They become frustrated which can easily escalate to anger and aggression, sometimes even violence. It can be very frightening and intimidating to be confronted by an angry or aggressive customer. For your own personal safety, all staff must develop the skills they need to deal with these volatile situations.</p> <p>By becoming verbally engaged with the customer in what is really 'their' argument only feeds the situation. Once you know the customer is becoming increasingly angry then call for assistance. If assistance is not available, then find an excuse to leave the area (called an exit strategy). 'I'll get the Manager to help you' is always a good excuse, or using 'inhibitors' e.g. informing the customer that he is being taped on CCTV can sometimes help to prevent the situation from escalating. Always follow your company's code of practice for these situations. Always refuse service and record the incident in the customer refusal register.</p>
17	<p>What is a customer refusal register? Answer: C <u>Summary</u> Part of all Age Verification Policy schemes operated on a premise, means that the owner of a business must keep written records of all refused sales on the premises for a minimum period agreed by the owner. This is usually around 12 months.</p> <p>The customer refusal register must record the date, item refused, description of person, reason for refusal, name of member of staff who refused the sale together with the staff's signature.</p> <p>By keeping these records, it allows the owner to demonstrate 'due diligence' to Trading Standards Officers, police and in addition it also provides evidence in that the policy is being operated, which can be produced in court following a prosecution.</p>

22	<p>What are the penalties for a failed a test purchase?</p> <p>Answer: B</p> <p>Summary</p> <p>The seller, Designated Premises Supervisor, Premises Licence Holder and any member of staff who was in a position to prevent the offence from happening (called turning a blind eye) may all be held liable for this offence and upon conviction may lead up to a fine of £5,000.</p> <p>Under the Policing and Crime Act 2009, there is an offence called 'persistent selling to under 18's' whereby the offence will be committed if a named premise is caught selling alcohol to an under 18 twice within a period of three consecutive months. If this happens, the Premises Licence can be brought under 'review' by the Licensing Authority who then have the powers to either impose additional conditions, remove the Designated Premises Supervisor, suspend the licence for a period of up to 3 months or revoke the Premises Licence in addition to substantial fines or even imprisonment. In addition to this the holder of the Premises Licence could be fined up to £20,000 for breach of condition of their Premises Licence.</p> <p>Staff could also loose their jobs for not following the correct procedure of the Age Verification Policy scheme operated at their premises.</p>
23	<p>What can happen to a person if they are caught selling alcohol to an underage person?</p> <p>Answer: D</p> <p>Summary</p> <p>It is an offence to 'knowingly' sell alcohol to a person under 18. Where a person is charged with this offence, your defence in court is that: 'you believed the person was 18 or over and either a) you took all reasonable steps to establish their age or: b) nobody would reasonably have suspected from the person's appearance that he/she was under 18.</p> <p>Under a), reasonable steps would be the steps you took to convince yourself that the person was under 18. Checking the ID, photograph, asking questions about their date of birth are methods of good practice, but it will not provide the evidence that you need when defending yourself in court. Obtaining their signature in the customer refusal book is the best method you can use as this can then be used as evidence in your defence. If a person is found guilty then they are liable to a fine of up to £5,000. (Go back and review question 21)</p>
24	<p>What is Due Diligence?</p> <p>Answer: B</p> <p>Due diligence is the systems that are in place to prevent offences from happening. When a person is charged with an offence, they will be prosecuted if it can be proved that they showed an intention of doing something wrong. It doesn't necessarily mean a person deliberately did something wrong, the fact that you broke the law is enough to prosecute. However, a person can defend themselves by proving they followed due diligence procedures that have been put in at their workplace. To prove this you must produce evidence to the courts. The types of evidence that can be used is the system for checking ID that is used at the premises, CCTV, customer refusal registers, training records and any other written evidence that is relevant. If the evidence produced to the courts is poor or inadequate a conviction will follow.</p>
25	<p>Is it a legal requirement for the Premises Licence Holder to train staff in the Age Verification Policy?</p> <p>Answer: B</p> <p>Summary</p> <p>Under the Licensing Act 2003, there is no legal requirement to train the staff in the Age Verification Policy. The only requirement is that the owners of Premises Licenses must make all their staff aware of the existence and the contents of the policy. However, many Premises Licenses now have special conditions on their licence that does make it a legal requirement to train all staff not only in age verification systems but also licensing law. It is best practice that all training that happens on licensed premises to be well documented as this can be used as evidence in your defence following a prosecution. Failure to carry out the training would be seen as breach of condition of the Premises Licence followed by severe penalties.</p>

**APPLICATION FOR A PREMISES LICENCE
NEW SHOP AT 4 TREEVIEW COURT, MAGHULL L31 3HF**

I am contacting you on behalf of my client Mr Kosakan Ravichandran in respect of the above application.

The Council have sent me a copy of your objections and thought I would contact you to outline this application further, and to explain the steps that would be taken to promote the licensing objectives.

As you know, the shop is currently empty and it will be completely refurbished as a new general convenience store selling a wide range of goods including groceries, dairy goods, snacks, sweets, newspapers, magazines, soft drinks, household goods, cigarettes etc.

The proposed alcohol sales would just be a part of the overall business to help the business develop and offer a more complete all-round convenience service. The shop is a family business and the focus of the shop will be as a general convenience store.

The application includes a document called an Operating Schedule – this is an important part of the application which shows the steps that would be taken at the shop to promote the licensing objectives. Each of these steps become legally enforceable licence conditions should the application be approved.

I'm not sure if you've had sight of the proposed Operating Schedule - and so I attach details below for your information. The proposed conditions include;

a CCTV camera system covering inside and outside the shop;

using the 'Challenge 25' under age policy to ensure that all measures are in place to ensure that no-one under 18 is able to buy alcohol and other age-restricted goods;

regular staff training;

litter checks outside the shop etc.

The full set of proposed conditions are shown below.

Every new application involves an extensive consultation exercise carried out with the various responsible authorities including the Police, the Councils Licensing Authority, Trading Standards, Environmental Health, Public Health, Child Protection, and Planning.

For your information, none of the Responsible Authorities have objected to the application.

In particular, the Police are important for new licence applications as they are the Council's main source of information regarding local crime and disorder. The Police are satisfied that this application would not impact on local crime and disorder, and that the application can be granted.

There are also no other objections to the application from the local community.

I can assure you that Mr Ravichandran will do everything that he can to prevent any issues for the local community. The shop will have a CCTV camera system which will cover inside the shop and the area immediately outside – this will help deter any possible issues.

The shop will use the Challenge 25 policy to make sure that children aren't able to purchase alcohol or any other age-restricted goods from the shop. Alcohol will be sold responsibly at all times.

Staff will do regular litter checks outside the shop.

Licensed premises are extremely well-regulated - they must promote the licensing objectives and fully comply with all of their licence conditions. If they don't, then the Authorities can take action - this includes prosecution, a licence review, revocation of the licence, etc.

The Police and the other Authorities will target any 'problem premises' and take action if something goes wrong. Likewise, if you found any evidence of problems at this shop in the future (or indeed any licensed premises in the area) then the matter can be dealt with as appropriate.

I hope the above information is useful and informative.

In the circumstances, would you be willing to agree that a licence can be granted?

I look forward to hearing from you and if you have any queries please don't hesitate to contact me.

Yours sincerely

Ian Rushton

The CCTV recording equipment shall be kept in a secure environment under the control of the premises licence holder (PLH) and/or another named responsible individual.

A staff training scheme shall be used for all staff authorised to sell alcohol. The training will cover the importance of preventing under age sales and complying with licence conditions. Refresher training will be provided every 12 months, records will be kept and be made available to responsible authorities

The PLH and staff will be vigilant and monitor the area immediately outside the shop to check that youths are not causing annoyance by congregating.

Spirits will be kept behind the counter.

An incident book shall be used to log details of any incidents, witnessed by staff, at or outside the premises. The incident book shall be available for inspection at all reasonable times by an authorised officer. The records will be retained for at least 12 months.

The premises shall operate an alcohol refusals policy - alcohol will not be sold to;

(1) Any person recognised or identified as a street drinker (regardless of their level of inebriation at the time);

No specific risks have been identified under the Licensing Act 2003 (note - the applicant is aware of the need to comply with other legislative requirements to ensure that the shop is safe for customers and staff).

Prevention of public nuisance

A notice(s) shall be on display in the premises asking customers to leave the premises quietly.

Staff will monitor the area immediately outside the premises on a regular basis to check for, and to properly dispose of, any litter from the premises.

Protection of children from harm

The shop shall adopt the Challenge 25 Policy.

Anyone who appears to be under 25 years old who attempts to purchase alcohol will be asked to prove their age by producing an acceptable form of photographic ID such as a passport, photo driving licence, military ID and PASS accredited proof of age cards.

A refusals register (for the sale of alcohol) will be kept and be available for inspection by responsible authorities.

A due diligence checklist will be used to help ensure that all steps are in place to prevent underage sales.

A notice shall be displayed in the premises where it can be seen clearly to advise customers that it is unlawful for persons under 18 to purchase alcohol or for any persons to purchase alcohol on behalf of a person under 18 years of age.

This policy is for guidance only- you must check for accuracy and edit the content & practices to reflect procedures in your venue.

Challenge 25 policy

Our **Challenge 25** policy applies to all age-related sales that occur on our premises. You are obliged to apply our **Challenge 25** policy when any customer who looks to be under the age of 25 attempts to purchase alcohol, either for themselves or for somebody else.

If you sell alcohol to anyone under 18, you are breaking the law. The consequences are very serious; you could receive a £90 Fixed Penalty Notice or if prosecuted be fined up to £5000, which may result in a conviction being recorded against your name. If you are a Personal Licence Holder, your Personal Licence is also at risk of forfeiture.

Additionally, both the pub and the Designated Premises Supervisor (DPS) or Owner could face prosecution as a result of your actions, as well as having its licence suspended or revoked.

Our **Challenge 25** policy requires you to use a 4-step approach every time you see someone who appears to be under the age of 25:

1. Assess the age of every customer.
2. If you think the customer *looks* under 25, ask for ID.

[Only the following documents are acceptable for proof of age purposes]:

- A valid Passport
- A valid photo drivers' licence
- A "Pass" approved card from the national Proof of Age Standards Scheme
- A British Military ID Card
- A National Identity Card

Only **Original Documents** can be accepted - photocopies, photographs or **Phone Apps** and out of date passports are **not acceptable**

3. If the customer cannot produce acceptable ID, refuse the sale of alcohol
4. When you refuse the sale you must record this in the refusals log book/EPOS system on the till

There are fake proof of age cards, so if you are unhappy with the ID for any reason or it looks fake or tampered with, or you think it belongs to someone else (eg a brother or sister), refuse the sale and bring the matter to the attention of your Duty Manager or Supervisor.

Challenge 25 applies at all times, even when:

- You think door staff has previously checked a customer's ID.
- You are busy.
- You believe you have seen acceptable ID from the customer on a previous occasion.

Remember, if you ask for ID from everyone you think looks under 25, then you will protect yourself from breaking the law. Practice **Challenge 25** and do not get caught out.

Please sign this document to acknowledge that you have understood your training and responsibilities and agree to always ask for ID from customers who appear to be under the age of 25.
