LIST OF BACKGROUND PAPERS RELIED UPON IN THE PREPARATION OF THIS REPORT

Report to Cabinet Member/Cabinet – 15 September 2009/ 1 October 2009: Aiming High for Disabled Children: Proposed Scheme.

Report to Cabinet Member/Cabinet – 04/20 May 2010: Aiming High for Disabled Children: Additional Schemes.

AIMING HIGH FOR DISABLED CHILDREN: ADDITIONAL SCHEMES

1. Background

- 1.1 Members will recall that Sefton has been allocated a capital grant of £391,100 in 2009/10 to support the Government's Aiming High for Disabled Children (AHDC) programme. The aim is to provide support for families with disabled children to enable them to live ordinary family lives as a matter of course.
- 1.2 Taking into account existing approved schemes there remains £75,589 available to support new schemes. The funding is ringfenced and has to be expended by 31 March 2011.

2. Proposals

- 2.1 It is proposed to allocate a further £10,000 towards the Short Breaks lounge at Crosby Lakeside Adventure Centre which will allow the flexibility required to provide short breaks for families with disabled children.
- 2.2 The balance of £65,589 will be spent on additional playground equipment for disabled children that is currently unavailable in any of Sefton's parks. Examples of such equipment are wheel chair accessible roundabouts and wheel chair swings. Other examples include outdoor sensory play equipment suitable for disabled children, which can be located in either playground spaces or the pinewoods etc. Again this type of equipment would include pieces that are not currently available in Sefton such as outdoor drum sets, talking flowers, convex and concave mirror panels and Talking Bob (A very simple idea that is completely child powered - no batteries or main power required. Children giggle and laugh as Bob repeats what they say to him in a funny voice. Bob is of all metal construction and virtually indestructible).

3. Recommendations

- 3.1 The Cabinet Member is recommended to:-
 - (i) approve the proposed schemes detailed in this report;
 - (ii) refer the funding for the proposed schemes to Cabinet for inclusion in the Children, Schools & Families Capital Programme 2010/11.
