1.0 INTRODUCTION

- 1.1 A request has been received from the resident of 49 Kent Avenue, Litherland for a disabled person's parking place outside their place of residency.
- 1.2 Site observations and information supplied by the resident's general practitioner confirms that the usual level of parking leads to the applicant frequently being unable to secure a parking space within their mobility range and a reasonable distance of their home, leading to undue inconvenience and / or discomfort. It is proposed, therefore that a disabled parking place be provided.

2.0 PROPOSALS

- 2.1 It is proposed to introduce a disabled person's parking place including the provision of a numbered permit to the applicant outside :

Centrally located outside 49 Kent Avenue, Litherland

- 2.2 In order to simplify Sefton's Traffic Regulation Orders, current Orders which exist on any of the roads affected by this proposal will be revoked, and new Orders made incorporating the new amendments. In this respect, the following Orders will be revoked and replaced with a new Order:-

- Metropolitan Borough of Sefton (Kent Avenue, Litherland) (On-Street Parking Places, Prohibition and Restriction of Waiting) Order, 2007.
