ADDENDUM

Further to the above Report, which was submitted on 13th August 2013, the Home Office guidance (which we have to have regard to) on setting fees has now been released.

As a result the figures proposed within Paragraph 5.5 of the Report have now been re-visited to take account of this; in particular with regard to having to have separate fees for Site and Collector's Licences.

In addition we have now had confirmation that the Home Office will be paying for the Environment Agency national register and that Councils will not have to contribute to this via a re-charge. Therefore, the previously included estimated re-charge from the Environment Agency for this provision has been removed from the proposed fees.

The proposed revised fees are therefore as follows:

Site Licence	
Grant	£130
Renewal	£130
Variation	£ 75

Collector's Licence	
Grant	£ 95
Renewal	£ 95
Variation	£ 75
