# Neighbourhoods & Partnerships

What we do:

- Commitment to providing excellent customer service and work for the benefit of our Members, Residents and Businesses
- A holistic approach to our neighbourhoods (not focused on a single sector)
- Strong partnership approach to working with Council services and partners

# Culture and Behaviours

- Culture of Neighbourhoods and Partnerships is to be:
  - Open and honest
  - Look for understanding and solutions
  - Focus on excellence
  - Clear and effective with our communication
  - Commitment to corporate and collaborative working
  - Ability to constructively challenge
  - Be performance driven
  - Not be afraid to take risks and try new ways of doing things
