|  | 2013-17 LISTED BUDGET SAVINGS PERFORMANCE AT OCTOBER 2016 |  |  |  |  |
|--|---|--|--|--|--|
| Savings achieved to date                 | 23,133,700  |  |  |  |  |
| Progress is Satisfactory                 | 5,380,150   |  |  |  |  |
| Risk of savings not being fully achieved | 527,000   |  |  |  |  |

Known shortfalls or significant risk that savings will not be achieved

**Total of Savings** 

35,916,450

6,875,600

|  | CAVING                |        |       |         |         |  |
|--|-----------------------|--------|-------|---------|---------|--|
|  | SAVING<br>REQUIREMENT | Red    | Amber | Green   | Blue    | Comment  |
| Review of Commissioning - reducing funding support to community groups - Commissioning & Neighbourhood Coordination  | 261,000               |        |       |         | 261,000 | This saving will be achieved in 2016/17.   |
| Libraries - Review of operation and management of libraries including book fund and opening times                    | 70,000                |        |       |         | 70,000  | This saving will be achieved in 2016/17.   |
| Parks Maintenance - Botanic<br>Gardens Shop Closure  | 30,000                |        |       |         | 30,000  | This saving will be achieved in 2016/17.   |
| Parks Maintenance - Increase allotment fees by an average of £10 per full size plot in 2016/17 and again in 2017/18. | 20,000                |        |       |         | 20,000  | This saving will be achieved in 2016/17.   |
| Further Changes in Style and Standards of Parks Management   | 27,000                |        |       |         | 27,000  | This saving will be achieved in 2016/17.   |
| Arts - Review management and opening times at the Atkinson   | 120,000               |        |       | 120,000 |         | This saving will be achieved in 2016/17.   |
| Street Scene - Building Cleaning - change frequency of office cleaning   | 19,000                |        |       |         | 19,000  | There has been a reduction in the cost of cleaning Council and internal facilities during 2016/17 so the required saving is being met.   |
| Public Conveniences increase charges   | 40,000                | 40,000 |       |         |         | This saving will not be achieved in 2016/17. This is due to the one off costs of fitting coin mechanised doors at facilities that were previously provided free of charge and higher than expected costs for maintenance and vandalism issues. Although charges have been increased / introduced, the financial benefit to the Council has been less than expected. Negotiations are currently underway with an external operator to provide a fully managed service at a cost that can be contained within the reduced budget. Therefore this saving is expected to be achieved from 2017/18 onwards. |
| Public conveniences reviewed for efficiency savings  | 20,000                | 20,000 |       |         |         | This saving will not be achieved in 2016/17. This is due to the one off costs of fitting coin mechanised doors at facilities that were previously provided free of charge and higher than expected costs for maintenance and vandalism issues. Although charges have been increased / introduced, the financial benefit to the Council has been less than expected. Negotiations are currently underway with an external operator to provide a fully managed service at a cost that can be contained within the reduced budget. Therefore this saving is expected to be achieved from 2017/18 onwards. |

|  | SAVING<br>REQUIREMENT | Red     | Amber  | Green  | Blue    | Comment   |
|--|-----------------------|---------|--------|--------|---------|---|
| Careline Service/Security Force (income target)  | 75,000                |         | 75,000 |        |         | This saving is not being achieved as it is reliant on income derived from other parts of the Council (which have been subject to cuts) and the cessation of a healthcare project which was also expected to generate income for the service. At this stage no alternative income sources have been identified and it is therefore unlikely that this additional income requirement will be met in 2016/17.  |
| Street Scene - Building Cleaning - change frequency of office cleaning   | 50,000                |         |        |        | 50,000  | There has been a reduction in the cost of cleaning Council and internal facilities during 2016/17 so the required saving will be met.   |
| Cleansing Service - Reorganisation of workload and work patterns   | 25,000                |         |        |        | 25,000  | The budgetary provision for Cleansing Services has been adjusted to take account of the restructure which has now been implemented. As such, the required savings target will be achieved in 2016/17. However, it should be noted that the income target for recharges to internal facilities and services needs to be reviewed in the light of a reduction in cleaning budgets available across the Council.   |
| Street Cleansing - Bulky Items Collection Service - Restructure Crews and introduce charge for bulky items               | 6,000                 |         |        |        | 6,000   | The budgetary provision for Bulky Items has been adjusted to take account of a restructure and increased charges and as such, the required saving target will be achieved in 2016/17.   |
| Green Waste  | 430,000               | 430,000 |        |        |         | Saving not likely to be achieved following the reorganisation of the recycling service.   |
| Public Conveniences - Closure of all public conveniences   | 74,000                | 24,000  |        | 50,000 |         | The original saving was predicated on the entire budget for the service being removed. There will still be residual costs to be incurred in closing the facilities in terms of NNDR, insurance, utilities, etc. for which no budget remains. Consequently, it will not be possible to meet the saving target in full during 2016/17 or in future years.   |
| Bulky Items - Increasing collection charge from £7.50 to £10 per collection  | 48,000                |         |        |        | 48,000  | The budgetary provision for Bulky Items has been adjusted to take account of a restructure and increased charges and as such, the required saving target will be achieved in 2016/17.   |
| Sefton Care Line and Sefton<br>Securities - Increased income as<br>result of increased service activity                  | 200,000               | 200,000 |        |        |         | This saving target was predicated on increasing income by insourcing a wider range of previously externalised maintenance, testing and installation services across Council facilities and services. This did not happen as expected or proposed and as such it will not be possible to generate this additional income on top of the increased income target set for the current financial year. As such, this saving target will not be met during 2016/17. However additional business e.g. through the promotion of the Arc Angel product, is expected to generate significant income in the future which will not only enable this saving to be achieved but will also contribute towards future years' savings. Savings options in this area for 2017/18 and beyond will need to acknowledge the need to make this saving first |
| Catering - To increase the charge for each meal by 10p in September 2015 (start of the school term) and by a further 10p | 250,000               |         |        |        | 250,000 | This saving requirement is based upon increasing the cost of a school meal annually over a two year period. The first increase generated the required additional income. Therefore, it is expected that the second increase will also provide the required increase in income. As such, the required saving target will be met in 2016/17.  |
| New Options - Increase Cremation and Burial Fees by 5% above inflation   | 150,000               | 150,000 |        |        |         | A new crematorium has opened in West Lancashire within five miles of the existing facility in Southport. This has had an effect on the income generated at the facility. The crematorium at Thornton is also operating at reduced capacity (2 days a week) for some months this year due to a replacement programme for the old cremators which have failed emissions tests. As such the increased income levels will not be achieved in 2016/17. In future years, although full capacity will return at Thornton, the impact of the private crematorium will continue and the loss of income arising from this competition will prevent the income target of £150,000 from being met.  |

|   | SAVING<br>REQUIREMENT | Red     | Amber | Green   | Blue    | Comment   |
|---|-----------------------|---------|-------|---------|---------|---|
| Improved procurement of Council wide communications activity  | 61,050                | 43,400  |       | 17,650  |         | A deficit is forecast on sponsorship income of £43.4k in 2016/17 due to the phased cessation of Roundabout advertising (by 31 March 2017) and the delayed start of Web advertising resulting in this saving not being fully achieved in year from income but will be met from other areas budgets within the Strategic Support Unit as the budget monitoring is now reporting an overall surplus of £84k. For 2017/18 the Council is anticipating full year income from Web advertising, this will result in a reduction to the unachievable saving to £42k. The Strategic Support team will continue to seek out further income opportunities and savings, if this does not materialise this will result in permanent non achievement which is assumed here.   |
| Corporate Communications Team - Deletion of vacant posts and Team restructure   | 100,000               | 0       |       | 0       | 100,000 | This saving was in total £204k (£100k phased 2016/17) and was originally to be met from a reduction in staffing. However the saving was then anticipated to be achieved by both staffing and income i.e. staffing £104k in 2015/16 (achieved) and income £100k in 2016/17 which has previously been reported as not achievable. Having reviewed the Communications budget and the wider Strategic Support budgets this saving will now be achieved.   |
| Transformation - Reduction of Transformation resource   | 75,000                |         |       |         | 75,000  | This saving will be achieved in 2016/17 due to a restructure of teams.  |
| Environmental Health - Reduction in front line environmental health regulatory services. Reduction in pest control services but retain full rat control service |                       |         |       | 170,000 |         | On target to be achieved.   |
| Parking - Review of service and charging regimes  | 467,000               | 100,000 |       | 367,000 |         | There will be a shortfall in income achieved due to the proposal to cease the refund of car park charges at leisure centres. The remaining 367k should be achievable subject to market conditions.  |
| Street Lighting Energy - Invest to save in lighting columns and bulbs to allow reduced hours of lighting.   | 530,000               | 530,000 |       |         |         | It was anticipated last month that £100k would be achievable from energy savings / reduced tariffs which would have restricted the unachieved element of this saving to £430K. Latest information suggests that there will be no contributory saving in tariffs and the entire saving will not be achieved in the current year. Furthermore, the indicative tariff for 2017/18 will increase by £112k (based on current consumption levels) which will put further pressure on the achievement of the saving in subsequent years. Whilst every effort will be made to cover the saving through increases in income, this cannot be guaranteed. Excess income has been used in previous years to cover the regular overspend on winter service. There is a spend to save initiative for Cabinet to consider shortly. The outcome of the Cabinet decision will inform how the Council considers this saving option. |
| Further Changes in Style and Standards of Parks Management  | 64,000                |         |       | 64,000  |         | On target to be achieved.   |
| Parks Maintenance - Reduction in GM Contracts   | 30,000                |         |       | 30,000  |         | On target to be achieved.   |
| Coast - Reduction to visitor and site management activities. Extension to the length of the life guard contract on reduced terms. Car-parking income charges    | 75,000                |         |       | 75,000  |         | On target to be achieved.   |
| Highway management,<br>development, design and safety -<br>Changes to charges Service<br>reorganisations  | 130,000               |         |       | 130,000 |         | On target to be achieved.   |

|  | SAVING<br>REQUIREMENT | Red     | Amber | Green   | Blue      | Comment  |
|--|-----------------------|---------|-------|---------|-----------|--|
| Budget re-alignment of salaries to be funded from grants, contracts and reserves   | 116,000               | 116,000 |       |         |           | It is forecast that this saving will not be delivered in year as the majority of budget relates to Head of Service and grants that are used to fund remaining staff within the service who are not core funded. This saving will not be achieved in the long term and the Medium Term Financial Plan has been adjusted to reflect this.  |
| 14-19 Services - Changes to commissioning arrangements for Information, Advice & Guidance  | 40,000                |         |       |         | 40,000    | Achieved.  |
| Management fee reduction - Formby Pool Contract  | 50,000                |         |       |         | 50,000    | Following re-negotiation of the contract this saving will be achieved  |
| School Health - Re-<br>specify/recommission the healthy<br>Child programme for the whole 0-<br>19 age range  | 260,000               |         |       |         | 260,000   | Saving achieved in 2016/17   |
| Sports Leisure- Active Sports - Increase in income due to increased charges and new programmes   | 30,500                |         |       | 30,500  |           | This £30.5k saving is the residual amount of a total saving target of £84k of which £53.5k was achieved in 2015/16. It appears that there has been an element of duplication around this particular saving with the original proposal only anticipating £30k additional income. While there may be some further additional income achieved in this particular area in 2016/17 it is unlikely that the full remaining £30.5k will be achieved in this specific income budget. However, It is anticipated that this will be achieved from other income areas. The situation will continue to be monitored throughout the year. |
| Public Health-Internal restructure to reflect the need to strengthen the influencing role of the team, and reduced need for commissioning capacity     | 100,000               |         |       |         | 100,000   | Saving achieved in 2016/17   |
| Integrated Wellness - Integration of Lifestyle services  | 1,549,000             |         |       |         | 1,549,000 | Saving achieved in 2016/17   |
| Substance Misuse - Reduction in Substance Misuse spend   | 440,000               |         |       |         | 440,000   | Saving achieved in 2016/17   |
| DCATCH - The scheme has already closed to new pupils, saving reflects cohorts of pupils completing the programme                                       | 15,000                |         |       |         | 15,000    | Saving will be achieved in 2016/17   |
| Children With Disability Service -<br>Continue with the development of,<br>and implement, new eligibility<br>criteria                                  | 315,000               |         |       | 315,000 |           | The achievement of this savings target has been challenging. A post originally identified to contribute towards this saving has been taken as part of the Senior Management Review. However, options are still being explored to ensure the permanent achievement of this saving. Currently, the saving is being mitigated by under-spends elsewhere within the service. This will continue to be monitored closely.   |
| Aiming High - Continue with the development of, and implement, new eligibility criteria. Review and potential cessation of funding for some activities | 400,000               |         |       |         | 400,000   | This saving will be achieved in 2016/17.   |
| Attendance Welfare Service -<br>Improved administration of legal<br>procedures. Reduced eligibility for<br>service interventions. Increase<br>income   | 142,000               |         |       | 142,000 |           | This saving should be achieved in 2016/17.   |

|  | SAVING<br>REQUIREMENT | Red     | Amber   | Green  | Blue      | Comment  |
|--|-----------------------|---------|---------|--------|-----------|--|
| Locality Assessment - Redesign of Common Assessment Framework team Implement a   | 60,000                |         |         | 60,000 |           | This saving should be achieved in 2016/17.   |
| Commissioning - Reduction of the Commissioning Service staffing  | 144,000               |         |         |        | 144,000   | This saving will be achieved in 2016/17 due to a restructure of teams.   |
| Business Intelligence & Performance - Re-structure   | 360,000               |         |         |        | 360,000   | This saving will be achieved in 2016/17 due to a restructure of teams.   |
| Housing Standards - Reduction in housing enforcement services including cessation of corporate illegal traveller sites co-ordination   | 20,000                |         |         | 20,000 |           | On target to be achieved.  |
| Planning - Increase in income across parts of the service Development Management, Building Control, and Technical Support [land charges] in light of economic forecast           | 130,000               | 105,000 |         | 25,000 |           | This savings target relates to Planning / Building Control income and whilst there is likely to be an overachievement of Planning Application income of £96K, there are currently estimated shortfalls on Building Control (£160K), Planning Policy (£16K) and the Section 106 admin fee (£25K). The net effect of all of these is a shortfall of income against budget of £105K.                              |
| Home Improvements DFG - Reprofiling the allocation of costs and increasing the level of  | 10,000                |         |         | 10,000 |           | On target to be achieved.  |
| Treasury Management  | 8,000,000             |         |         |        | 8,000,000 | The Council has changed its policy relating to the provision for debt repayment. This has generated significant savings until 2019/20 (2016/17 saving includes the saving achieved in 2015/16 that was reserved to be utilised in 2016/17 and future years).   |
| General inflation provision - Remove general inflation provision set in MTFP at 2%. This will require all services to deliver general efficiency in the delivery of all services | 2,180,000             |         |         |        | 2,180,000 | Budget provision reduced, saving therefore achieved.   |
| Reduced accommodation costs - Lease on Houghton Street   | 76,000                |         | 76,000  |        |           | This saving is unlikely to be able to be achieved in this or future financial years due to it being a duplication of the 2015/16 saving Ref 67 (£60k). However, a balanced service outturn will be delivered and this will be delivered in future years.   |
| Building Maintenance - Recharge<br>Salaries to Capital Schemes   | 136,000               |         | 136,000 |        |           | It is currently uncertain as to whether this saving will be delivered in 2016/17. However, a balanced service outturn will be delivered and this will be delivered in future years.  |
| EEMS (Energy and Environment) Reduction in Carbon reduction service and community energy service   | - 42,000              |         |         |        | 42,000    | Saving achieved in 2016/17   |
| Finance & ICT Services - Restructuring Finance and ICT services after implementation of new financial system in 2015   | 500,000               |         |         | 50,000 | 450,000   | It has previously been identified that there is an issue with a saving of £50,000 being achieved by arvato in this financial year. Discussions have now taken place with arvato in order to identify other savings which can be made in order to address this shortfall, and one-off mitigating savings have been potentially identifed. The remainder of the saving of £450,000 has been achieved in 2016/17. |
| Finance & ICT Services - Reduce ICT, printing and telephone costs in line with general Council reductions  | 190,000               |         |         |        | 190,000   | Saving achieved in 2016/17   |

| SAVING<br>REQUIREMENT | Red                                     | Amber  | Green  | Blue   | Comment  |
|-----------------------|---|--|--|--|--|
| 108,000               |   |  |  | 108,000  | Saving achieved in 2016/17   |
| 95,000                |   |  |  | 95,000   | Saving achieved in 2016/17   |
| 1,000,000             |   |  | 382,000  | 618,000  | Saving will be achieved in full in 2016/17, however £0.382m relates to one-off savings in this financial year. Discussions are continuing with arvato to identify ongoing sustainable savings.   |
| 28,700                |   |  |  | 28,700   | This is the full year effect of the saving resulting from the review of this service and the saving has been achieved in full.   |
| 873,050               | 670,000                                 |  |  | 203,050  | There is a saving requirement in- year of £750k and £123.05k that relates to the previous financial year. The element that relates to the previous year has been achieved in full as a result of the full year effect of contract negotiations already agreed with New Directions. Of the £750k in year saving, £80k has been identified specifically to date. The refurbished Mornington Road and Dunningsbridge Resource Centres (for those with the most complex needs) are due to open in 2017. Further contract negotiations are being undertaken with New Directions to reflect the outcome of the Day Care review. There may be some further savings made in 2016/17 following negotiations and depending on the timing of the completion of refurbishments. A working group has been established to manage the detail of the required changes to the contract, to ensure plans are in place to avoid the risk of the saving not being achieved, in full, in 2017/18  |
| 3,000,000             |   |  |  | 3,000,000  | This saving has been achieved. However, note the issue regarding Better Care Fund in the main body of the report.  |
|                       |   |  | 1,560,000  |  | The saving was intended to be delivered in the first instance through a more effective Reablement Service model, reducing the need for ongoing domiciliary care, together with improved use of adaptations and assistive technology. The new Reablement Service is proving effective with the most significant impact being to reduce the requirement for residential care. The intention is to extend Home Care Re-ablement to community referrals. In addition re-assessments continue with a particular focus on those cases where providers have identified that they feel provision could be reduced. Where domiciliary care packages are being re-assessed the option to increase established 30 minute care visits by 15 minute blocks rather than the usual 30 minute blocks is available. Early discussions have been held with the Cabinet Member ASC, in respect of the redesign/recommissioning of the Domiciliary Care and Reablement Services, with a view to exploring more outcome-focused commissioning |

| Supported Living - Alternative and more efficient ways of meeting assessed care needs  | 1,800,000             | 1,124,000 |         | 676,000   |            | £676k has been identified to date following the review of Supported Living care packages. Officers continue to work on the commissioning of a more efficient, effective and sustainable supported living and care model. Service users' eligible care and support needs will continue to be met but possibly in larger occupancy dwellings. An increased number of people may have their needs met through Shared Lives or other placements that meet their needs. Any changes to a service user's tenancy will be via reassessment of need and will be agreed with the service user and housing/care providers. It is anticipated that service users' care packages may change through increased/additional use of assistive technology which will result in independence and self-sufficiency. The recommissioning will consider 'zoning' of care providers. Progress on the project has recently been reviewed, an action plan/ time frame has been drafted and re-specification and redesign of the service model will be completed by April 2017. To ensure the saving is achieved in full in 2017/18 it is anticipated that the level of resources in the commissioning team will need to be strengthened temporarily and the Head of Adult Social Care is taking action to progress this. There is currently some concern about a reduction in the appetite of housing providers to develop the larger occupancy properties required, due to uncertainties relating to possible government changes to housing benefit provision. The government position should become clear in the next couple of months |
| Adult Assessments - An end to end review of assessment and review policies, procedures and processes within Adult Social Care.   | 300,000               |           |         |           | 300,000    | This saving has been achieved following the review of assessment processes, policies and procedures  |
| Housing Related Support Further decommissioning and recommissioning of funded services in accordance with the approved Commissioning Intentions and Priorities   | 900,000               | 79,000    |         |           | 821,000    | £821k of this saving has been achieved. Commissioners are reviewing residual contracts and are in discussions with providers to identify how the remaining saving can be achieved. The saving will be achieved in full in 2017/18  |
| Children's administrative support -<br>Service redesign  | 20,000                |           |         | 20,000    |            | On target to be achieved and will be caputured as part of the restructure of Children's Social Care administration.  |
| New Options - Funding of highways, ICT and other developments from capital resources   | 1,000,000             | 434,000   |         | 566,000   |            | The achievable figure is based on the actual capitalisation in 2015/16. Work will continue to identify all work that can be capitalised in 2016/17, although the full saving may not be delivered.   |
| New Options - Funding revenue consequences of planning projects from Section 106   | 500,000               |           |         | 500,000   |            | This saving will be achieved in 2016/17.   |
| Financial Assessments  | 250,000               | 250,000   |         |           |            | Actions ongoing to identify how this saving can be delivered.  |
| Customer Access Point  | 250,000               | 250,000   |         |           |            | Actions ongoing to identify how this saving can be delivered.  |
| Levies - Merseyside Waste and<br>Recycling Authority and the<br>Integrated Mersey Transport<br>Authority have been requested to<br>support the Council by finding<br>10% efficiency savings in setting<br>their budgets for 2015/16 and<br>2016/17 | 2,509,150             | 859,550   |         |           | 1,649,600  | The Council actively engaged with the levying bodies to try to achieve a 10% reduction in the cost of levies to the Council. Unfortunately reductions in the Merseyside Recycling and Waste Authority Levy were not achievable in full. The partial non-achievement of this saving has been built into the 2017/18 to 2019/20 Medium Term Financial Plan.  |
| Budget Planning Assumptions -<br>Management Arrangements   | 1,300,000             | 300,000   | 240,000 |           | 760,000    | £760k delivered on phase one with a further £240k to be delivered.   |
| Voluntary Community Faith<br>Review  | 1,500,000             | 1,150,650 |         |           | 349,350    | £364k of the savings target has been achieved. The remainder of the £1.5m is not achievable.   |
| Total Savings Requirement 2013-2017  |                       | 6,875,600 | 527,000 | 5,380,150 | 23,133,700 |  |
