Note: comparison with previous years is difficult because this is the first year of the new English Language, English Literature and Maths GCSEs.

There are some key changes in and around these new GCSEs:

1. More demanding curriculum.
2. Only assessed through exams at the end of the course
3. Assessed on a 1 to 9 scale (1 low, 9 high), where old grade C is now split between 4 and 5.
4. Under the new system students with a grade 4 will achieve a 'standard pass' whilst those with a grade 5 will achieve a 'strong pass'.

1.6 KS4 (SEN = S&E): % Achieving Expected Standard

Need to change this in future as this is not an actual measure.
