

# DISCRETIONARY RATE RELIEF (D.R.R) SPORTS CLUBS AND ORGANISATIONS

# **A. INTRODUCTION**

- 1. The Discretionary Rate Relief Policy exists to assist Sefton's sporting community, with the benefits being significant to clubs in terms of reducing operating costs. The percentage of D.R.R. awarded to your club/organisation will be based on your ability to comply with the conditions set out in Section D of these guidance notes and you will be required to self-assess your club's percentage request under one of the categories outlined in Section C.
- 2. The principle behind the D.R.R. policy is that a greater percentage of relief will be allocated to clubs/organisations who are making more of an impact within the community in which they are based.
- 3. This policy became effective on 22 February 1996, and the current review will cover the financial years 2010-2015 (financial years of the authority being April 1st March 31st). Any new percentages awarded will therefore not come into effect until April 1st 2010.
- 4. If your club/organisation do not reapply, your current D.R.R. will cease as of March 31st 2010.
- 5. If your club has Community Amateur Sports Club Status (CASC) you will automatically receive 80% relief and therefore do not need to apply. For more information on CASC and how your club can register, please go to www.hmrc.gov.uk
