LIST OF BACKGROUND PAPERS RELIED UPON IN THE PREPARATION OF THIS REPORT

Children's Services Capital Programme

1.0 BACKGROUND

- 1.1 The funding is to provide Local Authorities, that are not currently in the BSF programme, with additional funding to support the provision of facilities for the delivery of 14-19 diplomas and/or improve facilities for pupils with special educational needs and disabilities. Local Authorities are encouraged to utilise the resources for a small number of projects, for greater impact rather than spending resources thinly.
- 1.2 Members will recall that a report of the Director of Children's Services was presented to Cabinet on the 14th May 2009 outlining the proposed schemes for 14-19 diplomas programme. The proposed programme of works was approved and the Assistant Technical Services Director was requested to develop design proposals for the schemes contained therein. Minute no 17 refers.
- 1.3 Proposals for the scheme at Maghull High School have been developed which comprise an extension to the existing accommodation and fit out to provide new World of Work Room.

2.0 TENDER ACTION

- 2.1 Tenders to carry out the works have been invited from suitably qualified and experienced contractors, as follows (in alphabetical order):

4	£ 327,640.00	20 Working Weeks

- 2.3 The tenders received will be subject to technical and arithmetical checking. Acceptance of the lowest tender will be subject to such checking.
- 2.4 As the tenders received exceeded the capital budget provision, a review of the contingencies currently included within the tender was carried out and reduced by £5,000.00.
- 2.5 This contingency sum reduction has now been included within the tender addendum and agreed with the lowest tenderer, with the revised tender agreed at £300,197.00.

3.0 FINANCIAL IMPLICATIONS
