## LIST OF BACKGROUND PAPERS RELIED UPON IN THE PREPARATION OF THIS REPORT

Report to Cabinet, 6 August 2009, Targeted Capital Funding: Kitchens and Dining Rooms.

## BASIC NEED ALLOCATION 2010/11: PROPOSED SCHEMES

### 1. Background

- 1.1 Sefton MBC has received a Basic Need allocation for 2010/11 of £654,613 as supported borrowing to support new schemes in 2010/11.
- 1.2 The proposed schemes detailed in this report have an estimated value of £1,015,113, including contributions from Schools' DFC (£204,000) and the Kitchen and Dining Room TCF (£156,500).

### 2. Proposed Schemes

- 2.1 As Members will recall, all Sefton schools undergo a Condition Survey as part of a rolling programme carried out by officers from Capita Symonds. These surveys identify works in priority order on the Asset Management Plan with D1 being the most urgent.
- 2.2 Officers have identified a number of high priority condition defects as detailed below and it is proposed to address these issues in 2010/11. The schools concerned will contribute a proportion of funding, whenever possible, from their DFC allocation and some schemes have attracted funding from the Kitchen and Dining Room TCF allocation as previously reported.
