Crohn's and Colitis UK

It was moved by Councillor Sayers, seconded by Councillor Halsall and unanimously:

RESOLVED: That:

This Council notes that:

- The charity Crohn's and Colitis UK is encouraging venues providing accessible toilets to install new signage. This is to help stop stigma and discrimination towards people with Crohn's Disease and Ulcerative Colitis and other invisible conditions.
- There have been instances nationally where such individuals using an accessible toilet have been accused by staff members of being ineligible to use them.
- The charity signs have two standing figures and a wheelchair user with the words Accessible Toilet and the logo 'Not every disability is visible'.

- The Government has decided recently that large accessible toilets for severely disabled people - known as Changing Places - will be made compulsory for large new buildings, such as shopping centres, supermarkets, sports and arts venues.

Council resolves to:

- Ensure that accessible toilets on Council premises bear these signs.
- Ask town and district centre retailers and leisure outlets to do likewise with their accessible toilets.
- Seek advice from the charity Crohn's & Colitis UK on the information and training we should provide to council staff members. This is so they understand these conditions and to prevent potential embarrassment for those who suffer with them.
- Ensure that any Changing Places toilets in our buildings are properly signposted for visitors.

#### **56. MOTION SUBMITTED BY COUNCILLOR GRACE - FIREWORKS**

It was moved by Councillor Grace, seconded by Councillor Byrom that:

##### Fireworks

Fireworks are used by people throughout the year to mark different events. While they can bring much enjoyment to some people, they can cause significant problems and fear for other people and animals. They can be a source of fear and distress for many animals (including pet animals, farm livestock and wildlife). Animals affected not only suffer psychological distress but can also cause themselves injuries - sometimes very serious ones - as they attempt to run away or hide from the noise.

This Council resolves:

- 1) to encourage all public firework displays within the local authority boundaries to be advertised in advance of the event, allowing residents to take precautions for their animals and vulnerable people;
- 2) to actively promote a public awareness campaign about the impact of fireworks on animal welfare and vulnerable people - including the precautions that can be taken to mitigate risks;
- 3) to write to the UK Government urging them to introduce legislation to limit the maximum noise level of fireworks to 90dB for those sold to the public for private displays;
- 4) to encourage local suppliers of fireworks to stock 'quieter' fireworks for public display.

An amendment was moved by Councillor Morris, seconded by Councillor Brough that the Motion be amended by replacing the word public with private in resolution 4.

Following debate on the **amendment** the Chief Legal and Democratic Officer officiated a vote and the Mayor declared the **amendment** was lost by 48 votes to 12 and the **Substantive Motion** was carried unanimously, and it was:

RESOLVED:

- (1) to encourage all public firework displays within the local authority boundaries to be advertised in advance of the event, allowing residents to take precautions for their animals and vulnerable people;
- (2) to actively promote a public awareness campaign about the impact of fireworks on animal welfare and vulnerable people - including the precautions that can be taken to mitigate risks;
- (3) to write to the UK Government urging them to introduce legislation to limit the maximum noise level of fireworks to 90dB for those sold to the public for private displays;
- (4) to encourage local suppliers of fireworks to stock 'quieter' fireworks for public display.

**57. MOTION SUBMITTED BY COUNCILLOR SIR RON WATSON - FACILITIES FOR A CATEGORY OF THE DISABLED**

It was moved by Councillor Watson, seconded by Councillor Brough that:

Facilities for a category of the disabled

This Council recognises that:

- both the Council and its residents are dealing with an extremely difficult financial situation as a result of Covid 19.
- there is a Disabled Facilities Grant available for a group of Seftons residents, who currently do not receive any level of specialist help and who don't access the grant because it is not widely recognised that it is in existence and Sefton does not appear to have a list of individuals who may benefit from elements of the help available.
- there are individuals who live in the Borough who have either lost limbs or who were born with such a disability.
- there is currently available on the market for what is described in many advertisements as a 'luxury' w.c facility where the actual toilet has the facility to project warm water and this is then followed by hot/warm air. The degree of self dignity that such a facility would provide for those who have lost their arms is self evident and could have a significant bearing on both their physical and mental health.

COUNCIL- THURSDAY 21ST JANUARY, 2021

- whilst retail prices are quoted it might be possible to arrange a contract where the facility could be provided at a very significant discount.

This Council requests that:

the Cabinet Members responsible for the budget give consideration of this issue into their budget deliberations in a pro-active and sympathetic manner.

Following debate on the Motion the Chief Legal and Democratic Officer officiated a vote and the Mayor declared the Motion was lost by 42 votes to 18
